DESCRIPTION

3 Montclare is a most impressive new detached residence built to exacting standards by Loran Construction in 2013 extending to c. 232m / 2,500 sq ft of luxurious accommodation laid out over 3 levels. Designed by leading architects McAuley Daye O'Connell, this is just one of 3 new homes beautifully positioned in a wonderful private setting affording maximum privacy and seclusion. Visually this is a most attractive home with soft rendering and zinc finish. It should be noted that the quality of build and finish throughout this house is exemplary offering many luxury refinements and attention to detail in every room. This is an extremely efficient and affordable property to run benefitting from an A3 Energy Rating (BER).

Montclare is superbly located at the junction of Claremont Road and Killiney Hill Road which is right in the heart of Killiney Village. The property is situated within just a few metres stroll to Killiney Hill (with its beautiful walk and views) local shop, pub and Killiney Castle Hotel & Leisure Hotel. Dalkey Village is also within close proximity which is hugely popular for its wonderful array of shops and boutiques, restaurants, coffee bars and DART station. Killiney is renowned for its stunning beauty - some of the nicest and most sought after houses are located in this affluent neighbourhood which continues to add to its appeal. Killiney beach, just a short distance away is a wonderful amenity for swimming and early morning walks.
