This is a wonderful opportunity to acquire a landmark building in the heart of Arklow Town. Ideally located on the lower Main Street, this is a fine, double fronted building with side access and garage / storage to the rear. Currently vacant - it's a blank canvas for any prospective buyer to make their own.

Bonne Bouche has previously been a thriving shop and family home with the residential part of the property to the side and rear of the retail unit. Well maintained throughout and laid out over three levels, the property boasts spacious bedrooms, reception rooms and large family kitchen to the rear. This lovely home provides all the space a family could hope for. The original shop is part of the property, yet separated in a way that allows for a distinction between the two.

To the rear, there is a private courtyard - a real sun trap, with access to a large garage allowing access to the adjacent lane. This could be perfect as a workshop, or further business premises.

This is a unique property appealing to many a discerning buyer. Offering the chance to live in the heart of town, with a 2 second commute to work and all the space you might wish for, Bonne Bouche is sure to be of interest.

Viewings by appointment only.
