About this property

A unique opportunity to acquire a most impressive, detached cabin on a truly stunning site. The property is nicely tucked away in a small enclave of private houses. The land itself is elevated with picturesque views and a sunny south-west orientation.

The property is in good decorative order with a lovely cosy and tranquil feel, similar to that of a winter chalet. The interior is lined with timber panelling with expert joinery evident throughout and a most charming solid fuel stove a superb warming focal point. The property has been designed to offer generous proportions with spacious living accommodation accompanied by three double bedrooms.

Externally, there is an extensive timber deck to the rear and side of the property offering the perfect spot to enjoy a summers evening overlooking the beautiful gardens. In addition to a selection of outbuildings the site is superbly arranged to include private parking, lawns and a selection of trees, mature shrubberies and hedging.
