

ROCKVILLE

KILTERNAN
DUBLIN 18

MANOR

EASY — LIVING IN A STUNNING SETTING —

Welcome to Rockville Manor, an exclusive new development next to the peaceful setting of Kiltarnan, Dublin 18. This boutique development of just 28 units, including 2 & 3 bed houses and 1, 2 & 3 bed apartments and duplexes, blends modern design with convenience, thanks to its excellent connectivity, great local amenities and close proximity to Dublin City and beyond.

KEEP FIT & CHILL OUT

Rockville Manor is made for those who thrive on a vibrant, active lifestyle. The development's setting at the foothills of the Dublin Mountains means that some of the best mountain trails on the east coast are just minutes away, perfect for cycling and hiking. Even better, experience the thrills of The Gap in Glencullen, Ireland's largest collection of mountain biking trails.

Water more your scene? Kilternan is a short drive from Dublin's south coast, with sailing, sea swimming, paddle boarding and kayaking all popular among the locals. And if you prefer the camaraderie of a team sport, the area is home to a wide range of clubs, including GAA, rugby and soccer. The area also offers excellent facilities for tennis and golf, a nearby ski slope, and ample opportunities for horse riding.

A GREAT BASE FOR YOUNG FAMILIES

EXCELLENT TRANSPORT OPTIONS FOR EVERYONE

For growing families, local amenities are second to none. There are six primary schools within ten minutes of the development, along with several crèche and childcare facilities. In addition, several secondary school options are in neighbouring towns and villages, including Educate Together options. With excellent public transport options – including the Green Luas line at Carrickmines and regular Dublin Bus services (such as routes 44 and L26) running through Kilternan – the cream of South Dublin’s schools are within easy reach.

Kilternan benefits from an incredible range of easy and convenient transport options. Rockville Manor is just minutes away from the M50 motorway, which links onto many of Ireland’s main roads, as well as offering a fast route through to Dublin International Airport. The N11 links Kilternan with Dublin City Centre and Ireland’s Sunny Southeast. And for an easy, car-free commute, Kilternan is served by several bus routes, with the Luas Green Line just three minutes away and the fast DART service only twelve minutes away in Shankill.

Rockville Manor is located beside the new Kiltarnan Village residential development, which will deliver new highly anticipated community and retail amenities. These will include an anchor supermarket, a café/restaurant, crèche, modern community centre, medical facility, as well as landscaped parkland walks, nature trails and generously sized play areas.

A photograph of a modern residential development in Kilternan. The scene features a large, multi-story brick building on the left and a row of smaller, two-story houses on the right. In the foreground, a woman is walking with a bicycle on a red-paved path, and another person is riding a bicycle on the road. The sky is blue with some birds flying. The text 'MODERN, QUALITY HOMES IN THE HEART OF KILTERNAN' is overlaid on the right side of the image. There are decorative orange flowers in the top right and bottom left corners.

**MODERN, QUALITY
HOMES IN THE HEART
OF KILTERNAN**

SPECIFICATIONS.

HOUSES

EXTERNAL FEATURES

- Pressurised hot and cold water supply to kitchen, bathrooms, en-suites and utility room where present.
- Highly efficient air source heat pumps

ELECTRICAL

- High quality brick and render finishes throughout.
- UPVC high-performance triple glazed to all units on site with low u-value for energy efficiency.
- Large French doors leading to patios.
- Paved patios located within the gardens to maximise sunlight and enjoyment of the space.
- Side passage gates to each end terrace homes.
- Paved front door entrances with designated parking in the development.
- All gardens are generously landscaped to the front and rear.
- Each home comes with fitted external lights at hall doorway and also to the rear patios.

ENERGY EFFICIENCY

- A2 BER rating for all homes.
- High level of insulation and airtightness design.
- All homes come fitted with Mechanical Ventilation Heat Recovery systems (MVHR) – this system gives greater control over the heating within the homes providing fresh air intake and expelling the stale air while maintaining the ambient temperature throughout, reducing the running cost of your home.
- High level of wall, floor and ceiling insulation reducing the heat loss through the fabric of the building.
- All homes come fitted with heat pumps.
- High performance internal pipe

insulation to reduce heat loss.

- Energy saving LED fittings.

SECURITY AND SAFETY

- Smoke detectors fitted throughout (main powered with battery backup).
- Locking system to all external ground floor windows and doors.
- Safety restrictors fitted to upper floor windows.
- Central hub where wireless alarm can be fitted (by homeowner).

MEDIA AND COMMUNICATIONS

- Wired for high-speed broadband (CAT 6).
- Data and TV points to living room.
- Main infrastructure installed to accommodate, Virgin and Siro.

ELECTRICAL

- Generous provision of lighting and power points throughout.
- Brass sockets and switches to living room and kitchen, hallway stairs and landings.
- Spot lighting fitted in front of master bedroom wardrobes in House No.s 3 – 7
- LED lighting strips built into master bedroom wardrobes in House No.s 14 – 20.

BATHROOM AND ENSUITES

- High quality tiling to walls and floors to wet areas within bathroom and ensuite (as per each unit type).
- Contemporary shower enclosure complete with pressurised water supply and fitted shower screen in ensuite.
- Bath screens fitted as standard.
- Heated towel rails to all bathrooms.
- High quality sanitaryware.
- LED Mirror fitted over sink.
- Wall mounted vanity unit to main bathrooms and ensuites

HEATING

- Contemporary style steel panel radiators throughout.
- Each home is heated using a heat pump with controlled zones and zone-controlled panel radiators.
- Pressurised hot and cold-water system.

KITCHEN AND UTILITY ROOMS

- Contemporary and professionally designed high quality fitted kitchens complete with stone worktops.
- Fully integrated kitchen appliances (subject to 21-day contract rule).
- Each 3 storey home comes with a separate utility room which is plumbed for washer/dryer.

INTERIOR FINISHES

- Extra floor to ceiling height on all levels.
- High quality painted doors.
- Stylish skirtings and architraves.
- Brass finish ironmongery.
- Internal smooth white painted finish to walls and ceilings throughout.
- All homes are plaster skimmed internally.

WARDROBES AND STORAGE

- Shaker style fitted wardrobes in all rooms.

STRUCTURAL FEATURES

- All homes are built using traditional masonry construction.

WARRANTY AND COVER WITH HOMEBOND

- All homes are covered under the Homebond Structural and Latent Defects Insurance (10 years) and Mechanical and Electrical Defects Insurance (5 years).

SPECIFICATIONS.

APARTMENTS & DUPLEXES

EXTERNAL FEATURES
