A magnificent A-Rated three-bedroom detached residence, set in magnificent surroundings with breathtaking countryside views and maximum sun exposure.

The Glasshouse enjoys a truly exceptional hilltop setting on circa 1.2 acres of land with fabulous panoramic views over the surrounding countryside. This is a rare opportunity to acquire a striking home with immense potential, ready for its next owner to complete and finish to their own taste and specification.

Currently at builder's fix stage, the property presents a wonderful blank canvas for the discerning purchaser. The layout has been designed to accommodate three bedrooms (as per planning), a large well-proportioned living space and a substantial garage, allowing the new owner the exciting opportunity to tailor finishes, fittings and interior styling to suit their own vision. With its elevated aspect and generous site, the house is ideally positioned to maximise natural light and take full advantage of the stunning outlook, enhanced by floor-to-ceiling NorDan windows and doors with the highest possible certification for security.

Internally, the home is envisioned as a bright and contemporary living space featuring barn inspired exposed timber uprights and beams within the bright white space, creating a seamless balance of warmth and modern design. The layout incorporates a spacious open-plan kitchen/dining/living area, designed for both everyday living and entertaining.
