Affordable Purchase Scheme

Fingal County Council in association with Ballymore is excited to introduce The Affordable Purchase Scheme in Aster Park, tailored specifically for first-time buyers meaning it also qualifies for the Help To Buy Scheme.*

The Affordable Purchase Scheme aims to make owning a home more accessible by bridging the gap between what you can afford and the market price of your new home. Through this initiative, you have the opportunity to purchase a high-quality, newly built home at a price lower than its market value.

With the combination of Fingal County Council's expertise in providing affordable homes and Ballymore's exceptional track record in delivering high quality homes, this ensures that the Aster park development will provide prospective homeowners with a pathway to buy a superior quality new home in a very good location.

HERE'S HOW IT WORKS

When you purchase a home through The Affordable Purchase Scheme in Aster Park, Fingal County Council (FCC) will take a percentage equity share in the property. This share is equal to the difference between the market value of the home and the reduced price you pay as the buyer.

To determine the amount of assistance you'll receive, factors such as your maximum mortgage capacity, deposit, and savings will be considered. Fingal County Council's contribution will be expressed as a percentage, representing the equity share they retain in your home.

The scheme is designed for individuals who may not be able to afford a home at its full market price. This scheme is committed to making homeownership more attainable for everyone.

This development also qualifies for The Help to Buy (HTB) Scheme. To be eligible for HTB scheme, you need a qualified loan on a qualifying home from an approved lender. From October 11, 2023, your mortgage plus Fingal County Council's contribution will be considered when calculating your loan-to-value ratio for HTB. This ratio must be at least 70% of your home's market value.

More information specifically relating to this new rule can be found at www.revenue.ie
