HAINAULT ROAD, FOXROCK

Hainault Road is one of the finest roads in Foxrock. It is merely a stroll from the charming village of Foxrock with its boutiques, stylish restaurants of Bistro One and The Gables and convenient shops.

With large plots and landmark roads, Foxrock has a sense of country living and charm whilst still relatively close to the city centre. The excellent transport links of the N11, M50, The Luas and the QBC afford easy access to whichever destination one chooses. Blackrock, Cabinteely, Cornelscourt, Deansgrange and Leopardstown are in close proximity.

A wonderful array of amenities await future occupants. Regular race meetings at nearby Leopardstown race course are always a fun filled experience. Whether it is sailing in Dun Laoghaire, walking in Wicklow

or enjoying horse riding in Enniskerry or Stepside, Foxrock offers such convenience. Foxrock Golf Club, Carrickmines Croquet and Lawn Tennis Club and Westwood Fitness Centre are also merely a short distance away.

A fine selection of schools characterise Foxrock. Loreto in Foxrock and St. Patrick's Hollypark are nearby. Blackrock College, UCD and Rathdown are close. Mount Anville and Alexandra can also be accessed. Ultimately, Cranford and Aldington offers an optimal balance in luxury living, a beautiful location with a great selection of schools and amenities.

ALDINGTON ACCOMMODATION DETAILS

Hall:

7.51m x 2.38m (24' 8 x 7' 10) Rich Mahogany entrance door with stained leaded and bevelled glass. A stunning and spacious entrance hall located centrally in the house providing easy access to the rest of the house. Large bright Italian porcelain tiled floor. Ceiling cornicing and recessed lighting.

Also featured in the hall is one of the most beautiful and eye catching features of the house. A solid mahogany stairs with varnished handrail, newels and goings and painted fluted balustrades and risers greets one upon entrance. The handrail continues without any obstructions from the scroll and wreath at the bottom to the finish at the top level. Fittingly, such a stairs has been designed to be soundproof as it is fitted on to a concrete structure. The stairs is designed, made and fitted by the renowned Flynn Bros., Tullamore.

WC:

2.13m x 1.43m (7' 0 x 4' 8) Located off the hallway, there is a generously proportioned WC, which has been designed to be wheelchair friendly.

The WC is finished to a very high standard with Italian porcelain tiled floor panelled with painted timber wainscoting. The whb is recessed on a featured stone worktop complemented by bespoke hand painted storage presses by Christoff. It is accompanied by a traditional high level Waverly WC. Ornate ceiling cornicing and recessed lighting complete same.

Cloakroom:

Beautifully complete panelled out in natural American Oak and Italian porcelain tiled floor.

Service Room:

A convenient location for the house services controls. TV, telephone, ESB and heating manifold for the ground floor positioned here. Beautifully complete panelled out in natural American Oak and Italian porcelain tiled floor.

Lounge:

6.43m (To bay) x 4.2m (21' 1 x 13' 9) This formal lounge is a light filled room of very generous proportions ideal for receiving guests.

A special feature of this room is the large bay window.

The room features Solid "Junckers" Wide Plank Oiled Oak Harmony timber floors and a high quality Marble fireplace fitted with an enamel Erin "Waterford Stanley" solid fuel stove. Quartz window cills also feature.

Ceiling cornicing with centre rose and tasteful light fitting and wall lights feature.

Room also has facility for 5 amp table lamp sockets. Room is wired for tv / fm / Cat 5 / Cat 6 cabling for phone and computer.

Dining:

5.84m (To bay) x 4.19m (19' 2 x 13' 9) The formal dining room is a spacious area ideal for formal entertaining or dinner parties.

A special feature of this room is the large bay window.

The room features Solid "Junckers" Wide Plank Oiled Oak Harmony timber floors and a high quality Marble fireplace fitted with a Tara "Waterford Stanley" solid fuel stove. Quartz window cills also feature.

Ceiling cornicing with centre rose and tasteful light fitting and wall lights feature. Room also has facility for 5 amp table lamp sockets. Room is wired for tv / fm / Cat 5 / Cat 6 cabling for phone and computer.

Kitchen:

10.26m x 6.86m (33' 8 x 22' 6) Extremely large and spacious kitchen with separate family dining area overlooking large mature south facing garden.

A beautiful bespoke hand painted framed fitted kitchen by "Christoff" with fully integrated Neff appliances and an Elan Rangemaster gas / electric cooker hob. Also featuring an excellent and extensive range of floor and wall units with beautiful curved feature and a central island unit with treble pencil granite breakfast counter.

Worktops are in solid treble pencil granite. There are two recessed sinks (1 No. Belfast sink and 1 No. vegetable preparation sink) which are recessed into the granite work top with carved drainage fluting. The walls above the worktops and range are panelled in solid granite to be maintenance free and to create an overall luxurious effect.

The kitchen provides a light filled and spacious family dining area with feature bay window containing a large dining area.

Large attractive French doors with glass side screens provides a bright and spacious effect to the kitchen dining area and leads out onto a large granite slabbed south facing rear patio area.

The kitchen floor is tiled with stunning black Italian porcelain slate effect tiles.

Ceiling cornice and attractive light fittings feature. Quartz window cills also feature.

Room is wired for tv / fm / Cat 5 / Cat 6 cabling for phone and computer.

Utility:

2.59m x 2.21m (8' 6 x 7' 3) The house has a sizeable utility room, which is fitted out to the same high specification standard as the kitchen and has integrated "Neff" appliances. The floor is tiled with stunning black Italian slate effect porcelain tiles.

Worktops are in solid treble pencil granite. A sink is recessed into the granite work top with carved drainage fluting. The walls above the worktops and range are panelled in solid granite to be maintenance free and to create an overall luxurious effect.

Ceiling cornice with tasteful recessed lighting feature.

Family Lounge :

4.47m x 4.19m (14' 8 x 13' 9) This large light filled room overlooking the south facing garden with access to the patio through French doors offers the family an ideal environment for quality living and enjoyment. It also serves as yet another room for entertaining on occasion.

BER B1

ALDINGTON ~ ENERGY EFFICIENCY

We believe that energy efficiency is a key variable in a new house. Hence, there is a significant focus upon energy efficiency in every facet of the house.

Two burners are utilised in the house for optimal energy efficiency. One is for heating and one for hot water. There is a Dual water heating system in place.

- There is a separate condensing gas Vokera burner and digital timer for hot water if required. The Burner is rated to Coil of insulated stainless steel efficient cylinder.
- Velux Solar Panels are fitted to provide additional energy efficient water heating.

There is a separate condensing Vokera burner for underfloor heating only. The burner is rated to 92% efficiency approx with Kilowatt Load of Underfloor Heating.

Underfloor heating to all three levels of the house by Unipipe Ireland Limited.

Each floor level controlled by separate Manifold. Each room is zoned.

Each room is thermostatically controlled by electronic digital thermostat for efficiency and comfort heating setting as required.

All fireplaces fitted with Enamel Waterford Stanley solid fuel stoves to give a high efficiency rating*.

Wall, ceiling and roof insulation to an A Rated Standard.

Towel Rails independently controlled through their own digital timer. Each has own local valve for optimal efficiency.

All recessed lighting fitted with an A rated 5.5 Watt Philips Master LED Spot Bulbs for up to 40,000 Hours usage.

All internal ceiling hanging lights fitted with Philips A Rated low energy CFL warm white 10 year Life light bulbs.

All external light fittings (wall lights & stand up Harte Design garden lights) fitted with A Rated CFL low energy warm white 10 year life light bulbs

Whilst most facets of the house are constructed to an A rated energy standard, overall the BER Certificate is B1 Energy Rated. As befitting tradition, beautiful Sash windows have been utilised in the house for such traditional and aesthetic reasons. Said windows attach a B Rating.

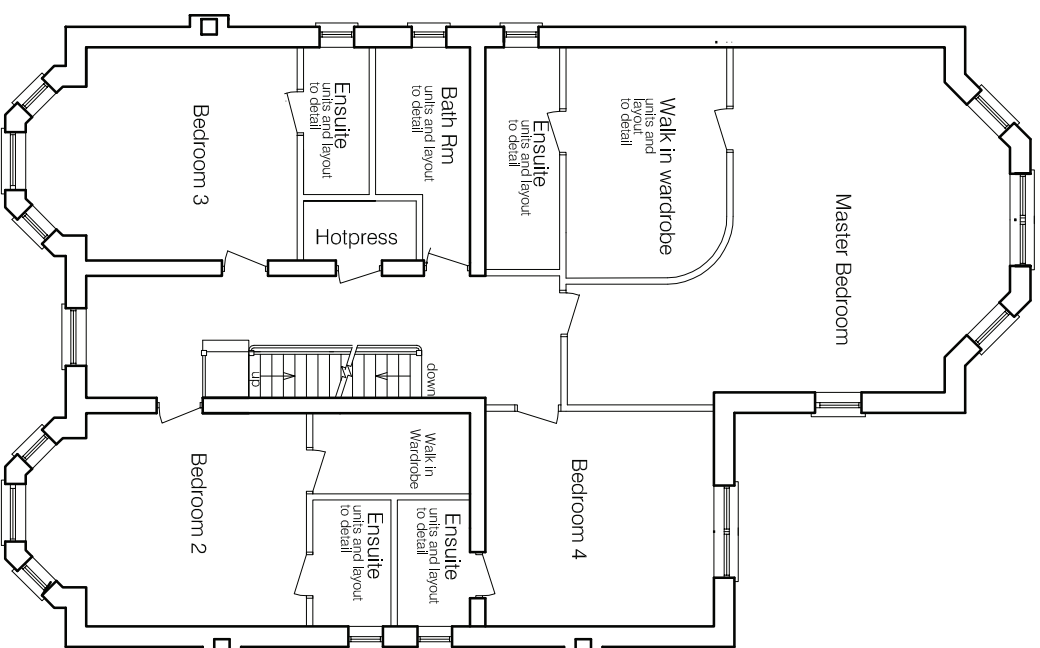

** Burning wood in your Stanley is a cost effective and environmentally friendly method of heating your home. Wood is a renewable energy source which can be replaced over a short number of years compared to other fuels which take thousands of years to form. Wood is considered a carbon neutral fuel. As part of the process of photosynthesis, trees absorb carbon dioxide from the atmosphere. When you burn a log on a fire, it will only release the same amount of carbon dioxide as it absorbed while living. (Source : Waterford Stanley brochure, "Stanley Stoves – Ireland's Best Loved Stoves", 4)*
