

Unit 7 & 7A, Sitecast Industrial Estate,  
Pouladuff Road, Togher, Cork, T12 F624

# 01 Location

The property is approximately 5 km south of Cork City Centre, 5km north of Cork Airport, 1 km west of the Kinsale Road Roundabout, 9 km west of the Jack Lynch Tunnel and approx. 1 km east of the Sarsfield Roundabout. The property is accessed off the westbound carriageway of the N40 South Ring Road and can also be accessed off the eastbound carriageway by taking the flyover.

The strategic positioning within the long established Sitecast Industrial Estate, is amplified by the calibre of nearby occupiers which include Smurfit Westrock, Brooks Builders Providers, EPH Controls, Hilti, Howdens, Casey Furniture, OK Tool Hire, Energy Glazing, O'Sullivan Bros DIY, and Cork Builders Providers.

## 02 Description

The property comprises a detached light industrial/warehouse/distribution facility on a secure site of approximately 0.85 Acres (0.34 Ha) which provides ample car parking and circulation space for staff and customers to the front and side of the building.

The property has a GEA area of approximately 19,589 sq. ft. (1,820 sq. m.) and is currently divided in two distinct sections as it is occupied by both Heat Merchants and Aluminox who operate a trade counter and distribution facility from the premises.

The original building is constructed of concrete portal frame with full height block infill walls, dash rendered externally and enclosed under an asbestos roof with roof lights. The rear extension is of steel portal frame with full height block infill walls enclosed under an insulated metal deck roof.

The internal arrangement is well presented in a typical trade counter style with open plan showroom/ display area, sales counter, administration offices and ancillary facilities such as staff canteen and W.C's. The warehouse

sections have a minimum eaves height of 4.6 meters with an apex height of 6.2 metres. The unit has 3 phase power and is fitted with LED lighting throughout with an onsite substation. Access is provided through a series of pedestrian doors with loading doors installed to the side and rear.
