A-Rated Specs and Standards

If it isn't A-rated, then it isn't a Glenveagh home. Each property of ours performs at the highest possible level on the BER efficiency scale — exhibiting the highest standards of insulation and airtightness.

LOVE
THE FUTURE
OF COMFORT
LIVE
WITH EFFICIENT
TECHNOLOGIES

The efficiency of a home isn't something that's just felt in your back pocket, but through the comfort and warmth you experience every day. All Glenveagh homes are built using modern construction techniques and technology that benefits you, the owner.

Our homes are built to be energy efficient with a minimum A rating on the BER scale with the highest standards of insulation and airtightness in all our properties.

For illustrative purposes only.

What do homes of the future look like?

We're building the homes of tomorrow, today. We incorporate sustainable and renewable technology to reduce the carbon footprint of your home, not only in how it's built, but in how you experience it from the day you move in. Developments in solar technology will mean that your home can generate its own energy, and in the future even contribute back to the national grid!

Why is an airtight home a better choice?

Efficiency and sustainability aren't simply about generating heat or the energy you use in your home; it's about retaining it and keeping it in. Your home is completely wrapped using the very latest underfloor, wall and attic insulation technology, making it airtight so there's no air leakage. Glenveagh homes use sophisticated ventilation systems to remove condensation and contaminants to ensure a better quality of air throughout.

How a heat pump works for your home

A heat pump costs a lot less to run than gas or oil, and is a far more efficient way to heat a home.

A heat pump system draws heat from different sources: air, water, or the ground. The heat generated is then distributed throughout the home, and because your home is airtight and uses better insulation it takes less energy to create a comfortable space.

ROUTES TO PURCHASE

New Glenveagh apartments are more affordable and achievable with the financial supports available to first-time buyers.

HELP-to-BUY SCHEME

The Help-to-Buy scheme is designed to help first-time buyers overcome the hurdle of getting your deposit together.

The Help-to-Buy scheme is a tax rebate scheme for first-time homebuyers, provided by the Irish Government. With it, you can get 10% of the purchase price or up to a maximum of €30,000 towards your deposit for a new-build house or apartment. Help-to-Buy cannot be used to purchase previously owned or second-hand homes. See how the Help-to-Buy Scheme can make your new Glenveagh home more achievable, visit glenveagh.ie or revenue.ie

HERE'S HOW THE SCHEMES COULD WORK FOR YOU

With a combined salary of €87,500 and the Help-To-Buy scheme and First Home Schemes, you could get a new Glenveagh home worth €500,000.

Property price	€500,000
Household income	€87,500
Mortgage approval	€350,000
Deposit	€20,000
Help-to-Buy	€30,000
First Home Scheme	€100,000 (=20% equity share)
Mortgage Monthly Repayments	€1,447 (based on 35 years and at 4% interest rate)

Unlike a mortgage or personal loan, there is no charge for the equity share in your home with the First Home Scheme for the first 5 years. From year 6, if the equity share is still in place, a service charge will apply. See firsthomescheme.ie for more.

FIRST HOME SCHEME

Glenveagh supports the First Home Scheme, which is funded by the Government of Ireland in partnership with participating lenders.

If you qualify and avail of the First Home Scheme, the State and participating lenders will provide up to 30% of the market value of your new home, in return for the same percentage share in equity of the property. It allows eligible first-time buyers, bridge the gap between the deposit, mortgage and the purchase price of a newly built home. The amount of funding that you qualify for depends on where the new home is located and whether it's a house or an apartment. For more information about the First Home Scheme visit glenveagh.ie or firsthomescheme.ie
