Laurel Close, Coolcotts, Wexford Y35 P6F8

Laurel Close in Coolcotts is an impressive, detached bungalow residence occupying a private and mature south-facing site of approximately 0.27 acres, superbly positioned within a quiet cul de sac in one of Wexford's most convenient residential locations. Built in 1975 and thoughtfully extended over the years, this substantial home extends to c. 215 sq.m. and offers wonderfully versatile accommodation ideally suited to modern family living, multi-generational occupancy, or those seeking generous space close to every amenity.

The location is second to none, within a short walking distance of Scoil Mhuire National School, Wexford General Hospital, Wexford County Council offices, and the Department of Housing, Local Government and Heritage. Excellent transport links are available with a bus stop located just steps from the property, while shops, sporting facilities, and all everyday amenities are easily accessible. Wexford Town Centre is also within comfortable walking distance, making this a highly desirable and exceptionally convenient address.

Internally, the accommodation is bright, spacious, and exceptionally well laid out. The welcoming entrance hall leads to a large sitting room, dining room, kitchen, snug/lounge, sunroom, utility room, and a corridor connecting the bedroom quarters. There are four main bedrooms, including a generous master bedroom complete with ensuite and built-in mahogany wardrobes. A second bedroom benefits from built-in slide robes, while another bedroom enjoys views over the front garden. A particularly attractive feature of the property is the fourth bedroom suite, which incorporates its own sitting room and adapted bathroom, offering excellent independent living potential for multigenerational or extended family or guests. A well-appointed family bathroom completes the ground floor accommodation.

Upstairs, there are two additional ancillary rooms with built-in storage, ideal for use as a home office, playroom, hobby room, or games room, together with a shower room and access to extensive attic storage.

The property has been carefully upgraded and extended over time, including a significant extension in 1996 incorporating the kitchen, utility room, sunroom, and adapted bedroom accommodation, while a further snug/TV room extension was added in 2003. Additional features include a combi boiler, a detached concrete-built garage measuring approximately 6.9m x 4.8m, and a charming Seomra complete with electrics, ideal as a studio, home office, or garden retreat.

Outside, the mature landscaped gardens enjoy excellent privacy and a sunny south-facing orientation, creating a peaceful and sheltered outdoor environment perfect for family enjoyment and entertaining.

This is a rare opportunity to acquire a substantial detached residence in a highly sought-after and established residential setting close to all services and amenities. Viewing comes highly recommended and can be arranged through the sole selling agents Kehoe & Associates on 053 9144393.
