

SCHOLARSTOWN
WOOD
RATHFARNHAM

VISION

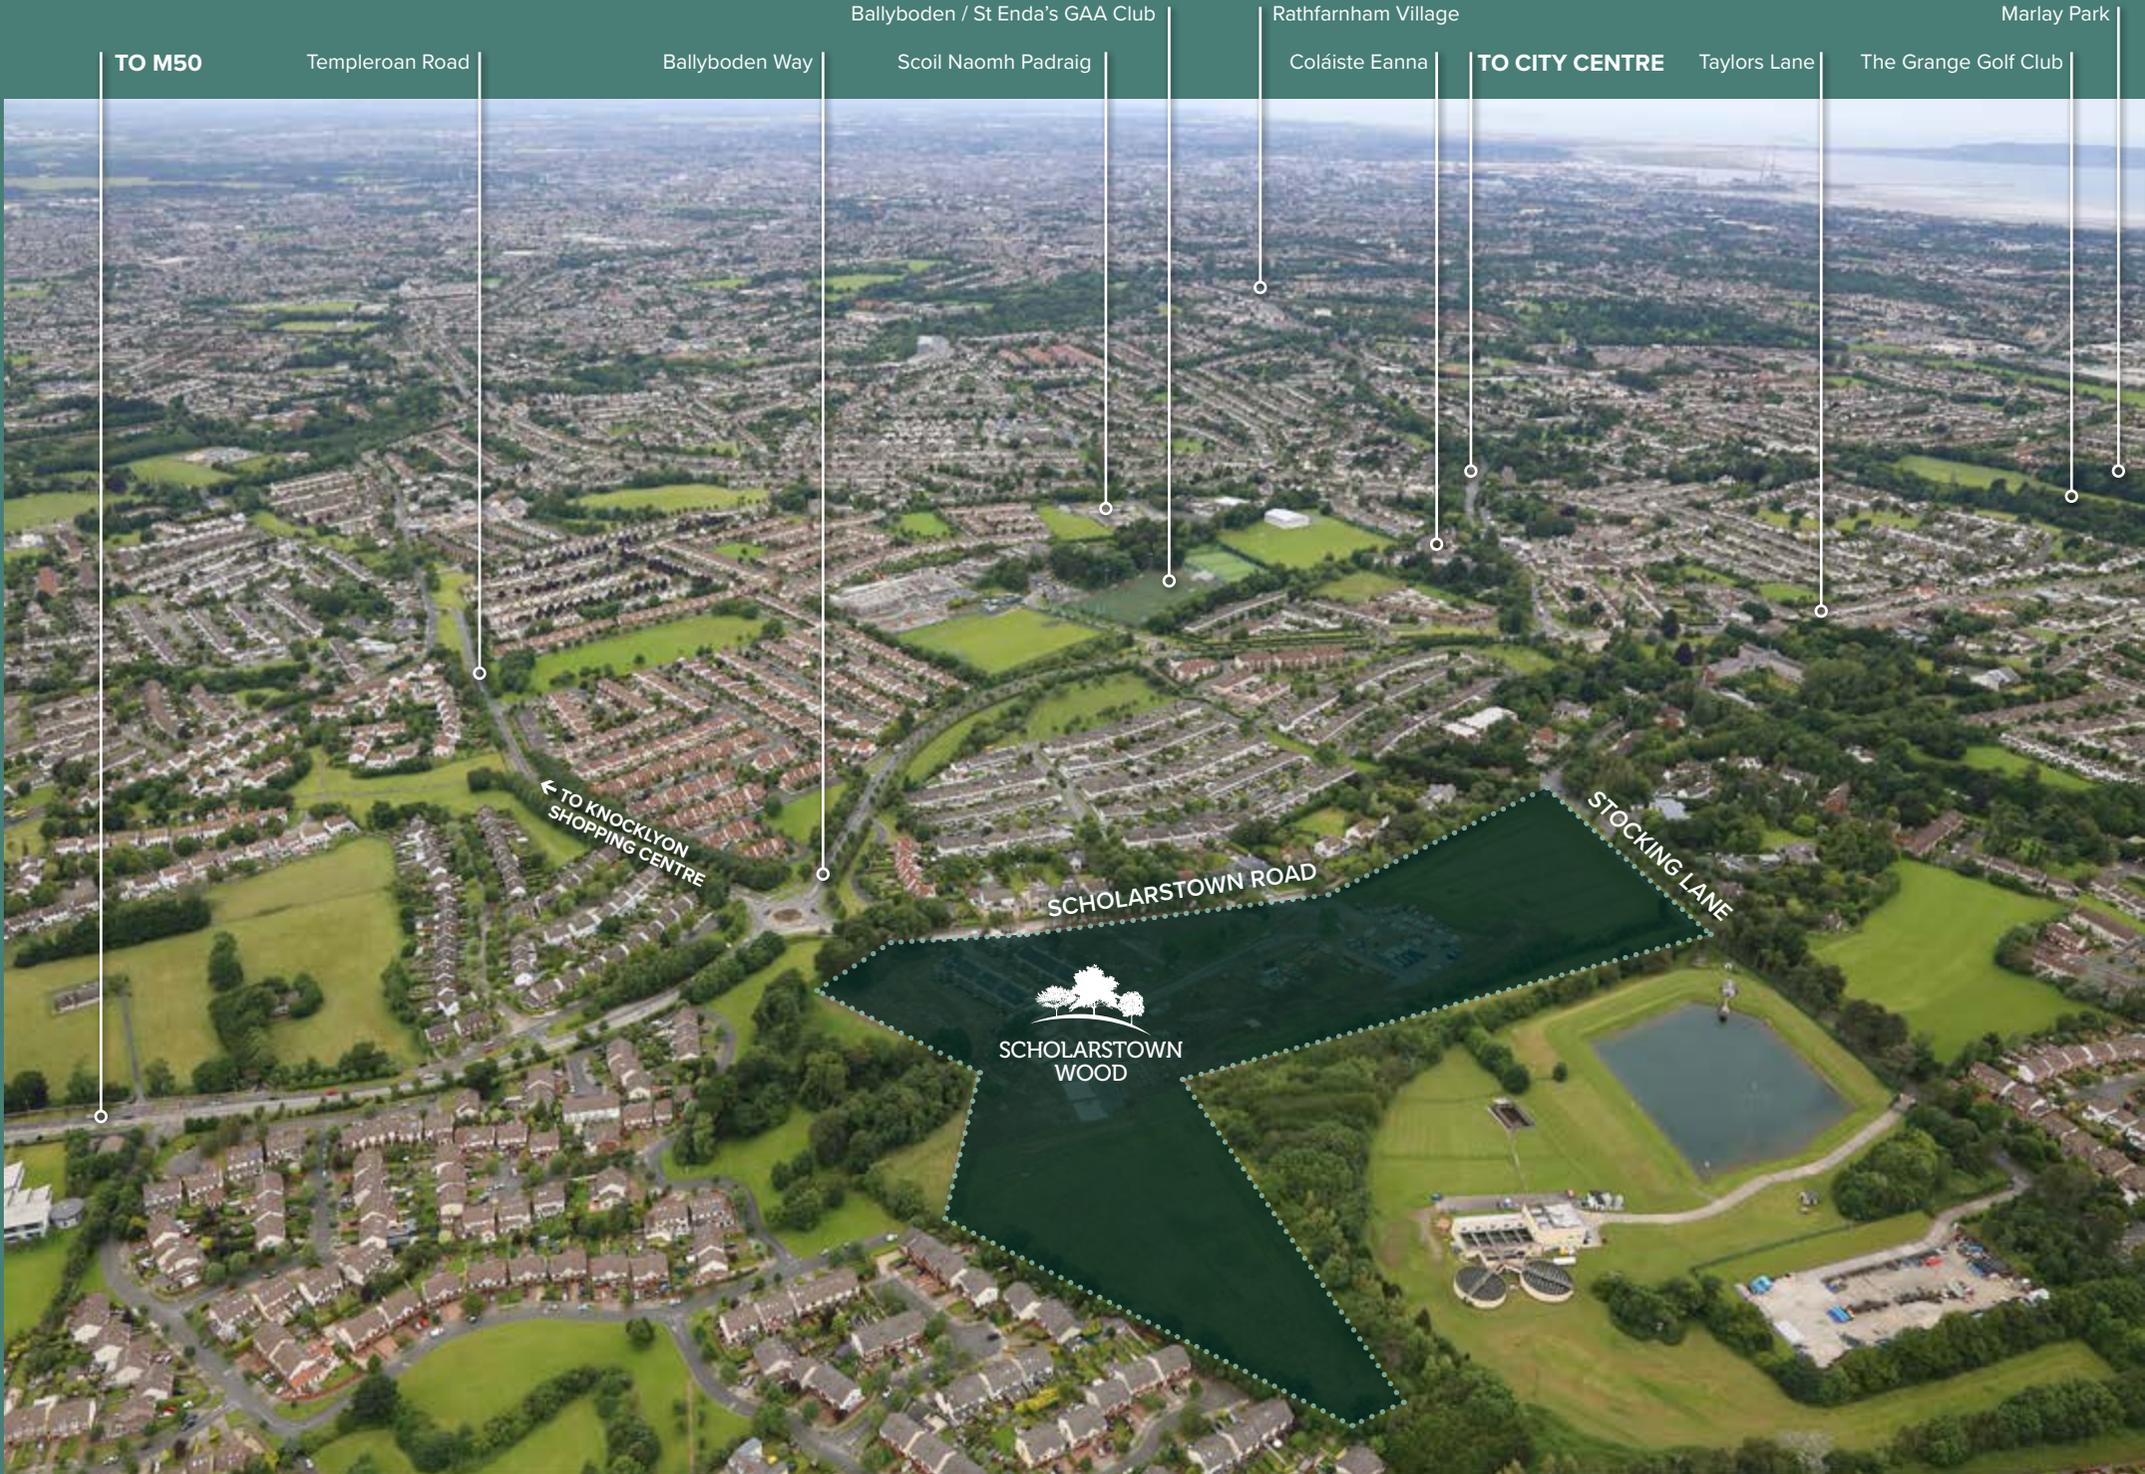

Scholarstown Wood is an exciting new development of contemporary designed, energy efficient family homes located in Rathfarnham.

Scholarstown Wood is located in one of Dublin's most well established residential areas and comprises a mix of substantial 3, 4 and 5 bedroom family homes.

Award winning O'Mahony Pike Architects are engaging the latest technologies and innovative building methods to ensure that all Scholarstown Wood homes are extremely energy efficient and comfortable to live in.

Similarly, the landscape architects, Dermot Foley Landscape Architects, will ensure that the current natural external environment is not only maintained, but enhanced, with over 2.8 acres in allocated open space. All areas are sensitively approached with inspiration driven from the local flora and fauna, an approach that will ensure residents at Scholarstown Wood enjoy the absolute best living environment, both inside and out.

LOCATION

Scholarstown Wood is located in the much sought after and fashionable suburb of Rathfarnham, Dublin 16. The development is situated on the leafy Scholarstown Road and this idyllic setting offers home owners convenient access to Dublin city.

The mature and picturesque village of Rathfarnham is steeped in history but is also home to a fine array of modern shops, restaurants and cafés. Stephens Green is just 8km north and the whole of the south side of the city is within easy reach. The area benefits from numerous transport links, with the M50 (Exit 12) just a short drive away providing easy access to all main arterial routes to and from the city and Dublin airport. The area is well serviced by Dublin Bus and the park-and-ride Luas stops in Windy Arbour and Balally are close by.

AMENITIES

One of the main attractions of Scholarstown Wood is the variety and choice of amenities in the area for the whole family to experience.

The area is steeped in heritage with a host of historical buildings, beautiful parklands and gardens to enjoy.

Parklands

The 300 acre Marlay Park together with the Georgian Marlay House and walled garden is close by with unrivalled leisure facilities including playgrounds, coffee shops, extensive walking, cycling and woodland trails. The well-known farmers market is held every Saturday & Sunday afternoons at the park and includes a colourful variety of food and craft offerings. Marlay Park also hosts numerous cultural events and concerts in the grounds and at Marlay House throughout the year.

St Enda's park offers a further 50 acres of picturesque paths and meadows. Also close by is Airfield, Dundrum a 38 acre working farm, garden and café which offers families a wonderful day out close to home. Dodder Park, a scenic park rich in heritage that runs alongside the River Dodder, is also just 2km from Scholarstown Wood.

The Outdoors

For the outdoor and adrenalin set there is so much on offer in the nearby Dublin and Wicklow mountains from biking to horse trekking and

mountain climbing or simply to explore the breathtaking scenery from the Hellfire club to the Wicklow Way.

For the golfing enthusiast Scholarstown Wood is situated within a triangle of three highly-regarded golf clubs namely Edmondstown, Rathfarnham and Grange golf clubs. There are also a number of excellent gyms close by.

Shopping

If shopping is what takes your fancy the Dundrum Shopping Centre, one of Europe's largest retail centres, is located a short drive away. Rathfarnham village and Knocklyon Shopping Centre are also close by with a host of local shops, restaurants and cafés.

Schools

There is a superb selection of primary schools in the area. Secondary schools including St. Columcille's Community School, Sancta Maria College for girls, Rockbrook Park School for boys and the mixed schools of St Columba's & Wesley colleges are close by, with UCD a 15 minute drive away.

INTERIOR OVERVIEW

Scholarstown Wood offers a variety of home types. Each combine practical functional layouts which optimise internal space. Clean, contemporary lines are complemented by muted colour palettes in the selection of both external and internal finishes creating an overall ambience of restful calm with smart and stylish overtones.

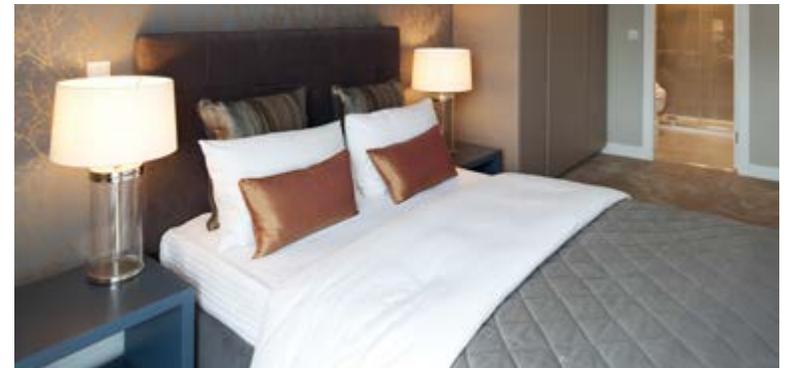

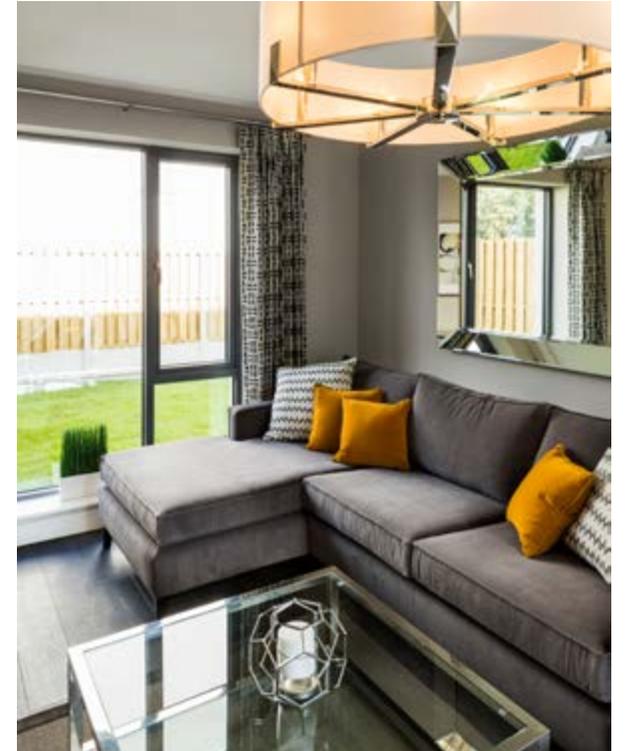

A set of glazed double doors creates a physical link from all kitchens to the outside garden spaces, whilst also maximizing the light entering the heart of the home. Where there is a direct link between the kitchen/dining areas and living rooms, double sliding doors between these spaces offer an open-plan feel when entertaining but can also be closed to create a sense of privacy when required.

Quality KUBE kitchens, which have been attentively designed, are supplied to all homes. Most house types have island units with Silestone worktops in the 4 & 5 bedroom homes.

Utility areas are provided in all homes delivering essential storage space. Attic trusses are provided to assist future adaptability in some units.

SPECIFICATION

- Electric Optiflame fire supplied by Dimplex in 3 and 4 bed semi detached and 5 bed detached homes
- Climote technology allows you to control your home heating and hot water from anywhere

Homebond

- 10 year HomeBond guarantee

Energy Rating

The houses at Scholarstown Wood benefit from an A3 BER Rating. "A rated" homes are the most energy efficient houses available and these houses benefit from reduced energy costs

- Timber frame construction with insulation levels which exceed industry standards, reducing heat loss through floors, walls and roof
- Improved air tightness works together with the HRV to retain heat and minimise exposure to external elements
- Roof mounted solar thermal panels provide hot water to the occupier
- High performance low maintenance double glazed windows

Ventilation

- The houses benefit from a Heat Recovery Ventilation System which is designed for 24 hour exhaust ventilation of stale moist air from the kitchens, bathrooms and en-suites. As the air is extracted a heat exchanger within the system transfers the majority of the heat into the fresh air supply entering the living room and bedrooms. The benefits of this system are managed ventilation, reduced heat loss and less dust and pollutants as the fresh air is filtered

ABOUT THE DEVELOPER

**We are passionate
about designing
and creating
innovative
residential
developments**

We want our developments to stand out as being sustainable as well as desirable, functional and stylish. We do this by focusing and understanding the needs and wants of our customers. This vision feeds directly into our design process. We focus on the external environment we create as well as the internal functionality and style of each individual home in each scheme. We ensure we use the highest quality materials and most up-to-date technologies and construction methods.

We are delighted to be constructing homes at Scholarstown Wood, which we believe offers an opportunity to acquire a family home in a superb location.
