Location

The property is located in the town of Drogheda which is strategically positioned at the heart of the Dublin-Belfast Economic Corridor.

Drogheda benefits from immediate access to the M1 Motorway, offering exceptional connectivity to skilled labour and key infrastructure making it well suited for manufacturing, distribution and warehousing occupiers. Notable occupiers include Dannan Air Factory, Boyne Valley Group, Elmore Recycling Limited, East Coast Bakehouse and Iron Mountain.

The facility itself is located off the Donore Road on the south-western fringe of Drogheda, within an established industrial area. It is situated approximately 1.3 km from the town centre and 1.4km from the M1 Motorway at Junction 9.

In addition to ease of access to the M1 Motorway, Drogheda also benefits from strong public transport links. Drogheda MacBride Railway Station serves the area with regular rail and bus services, providing direct connections to Dublin, Belfast and other key commercial centres.

Future upgrades to infrastructure include plans for a second railway station and the extension of DART services from Dublin to Drogheda.
