Tucked away in an exclusive enclave of just nine detached homes, this charming 1980s architecturally designed split-level bungalow offers a rare opportunity in one of Killiney's most sought-after addresses. With high ceilings and full length windows in the living room areas this design was ahead of this time.

Ideally positioned within easy reach of Killiney Beach and DART station, Holy Child School, and a wealth of local amenities, the property combines convenience with a sense of privacy and space.

Set on approx. 0.45 acres of beautifully maintained gardens, the residence extends to 224 sq. m and is thoughtfully laid out to balance family living and entertaining. The welcoming hallway gives access to a guest w.c. and cloakroom, while the main reception spaces – family room, dining room, and drawing room, flow seamlessly from the kitchen/breakfast area, creating a natural heart of the home.

The bedroom wing comprises four generous double bedrooms, including a principal suite with ensuite bathroom, alongside a well-appointed family bathroom.

An integral garage, located beneath the main bedroom, provides excellent additional storage or potential for conversion.

Lovingly maintained by its current owners, the home is ready to enjoy immediately yet also offers scope for the new custodians to update and personalise.

The sizeable gardens present further potential, including the possibility of an additional dwelling (subject to planning permission).

This is a rare chance to secure a substantial family home with space, character, and potential in a truly desirable location.
