

Condor

KILLINEY

Lioncor Developments

www.condorkilliney.ie

is an exclusive development of four luxurious detached

family homes of distinction

perfectly positioned off Church Road in Killiney.

arrive home to
luxury

The properties at Condor are set back from Church Road in a glorious sylvan setting enjoying Mountain Views to the front and Killiney Golf Course as a backdrop.

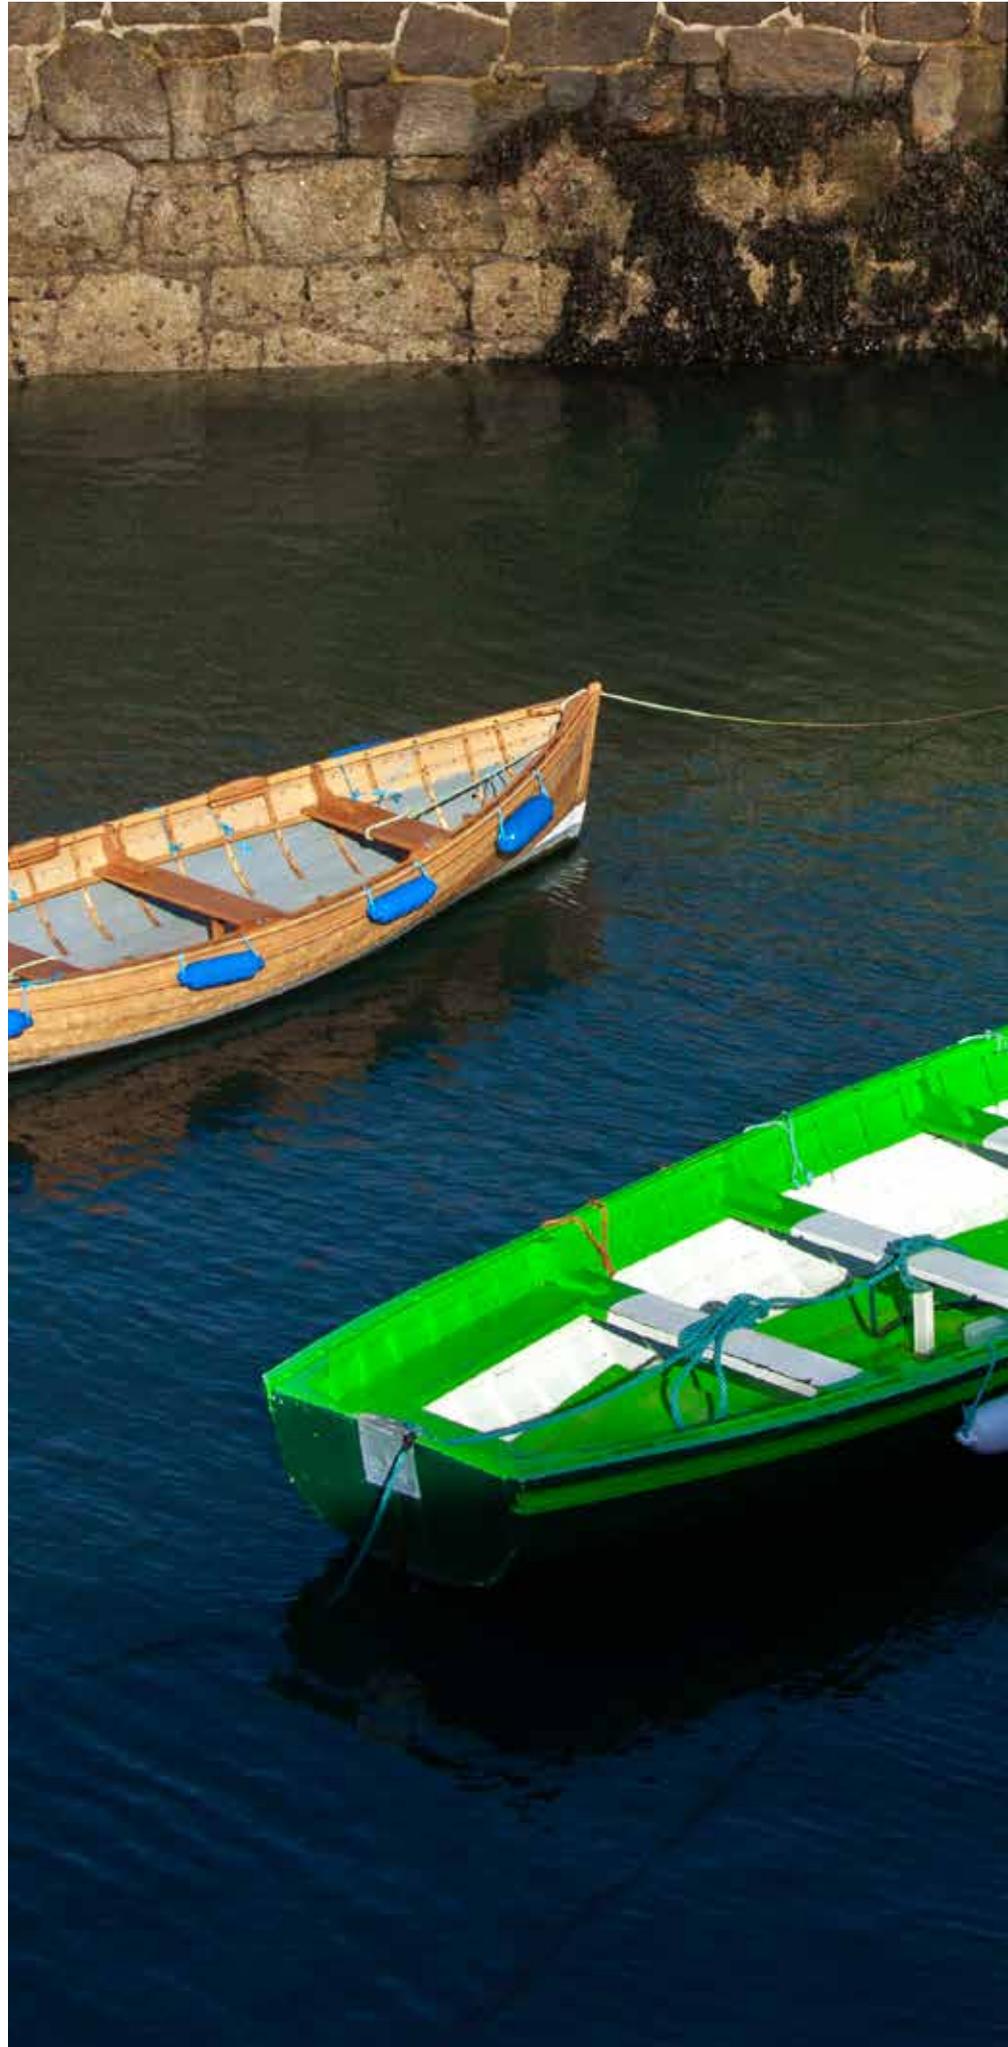

The privacy, peace and tranquillity of their surroundings, combined with its accessible coastal location, make Condor a real attraction.

The surrounding area hosts a myriad of recreational activities, including hill and coastal walks at Mullin's & Killiney Hills, a number of vibrant and picturesque bathing areas at Killiney Beach, White Rock and the Forty Foot, not to mention Dun Laoghaire Harbour which houses four waterfront yacht clubs.

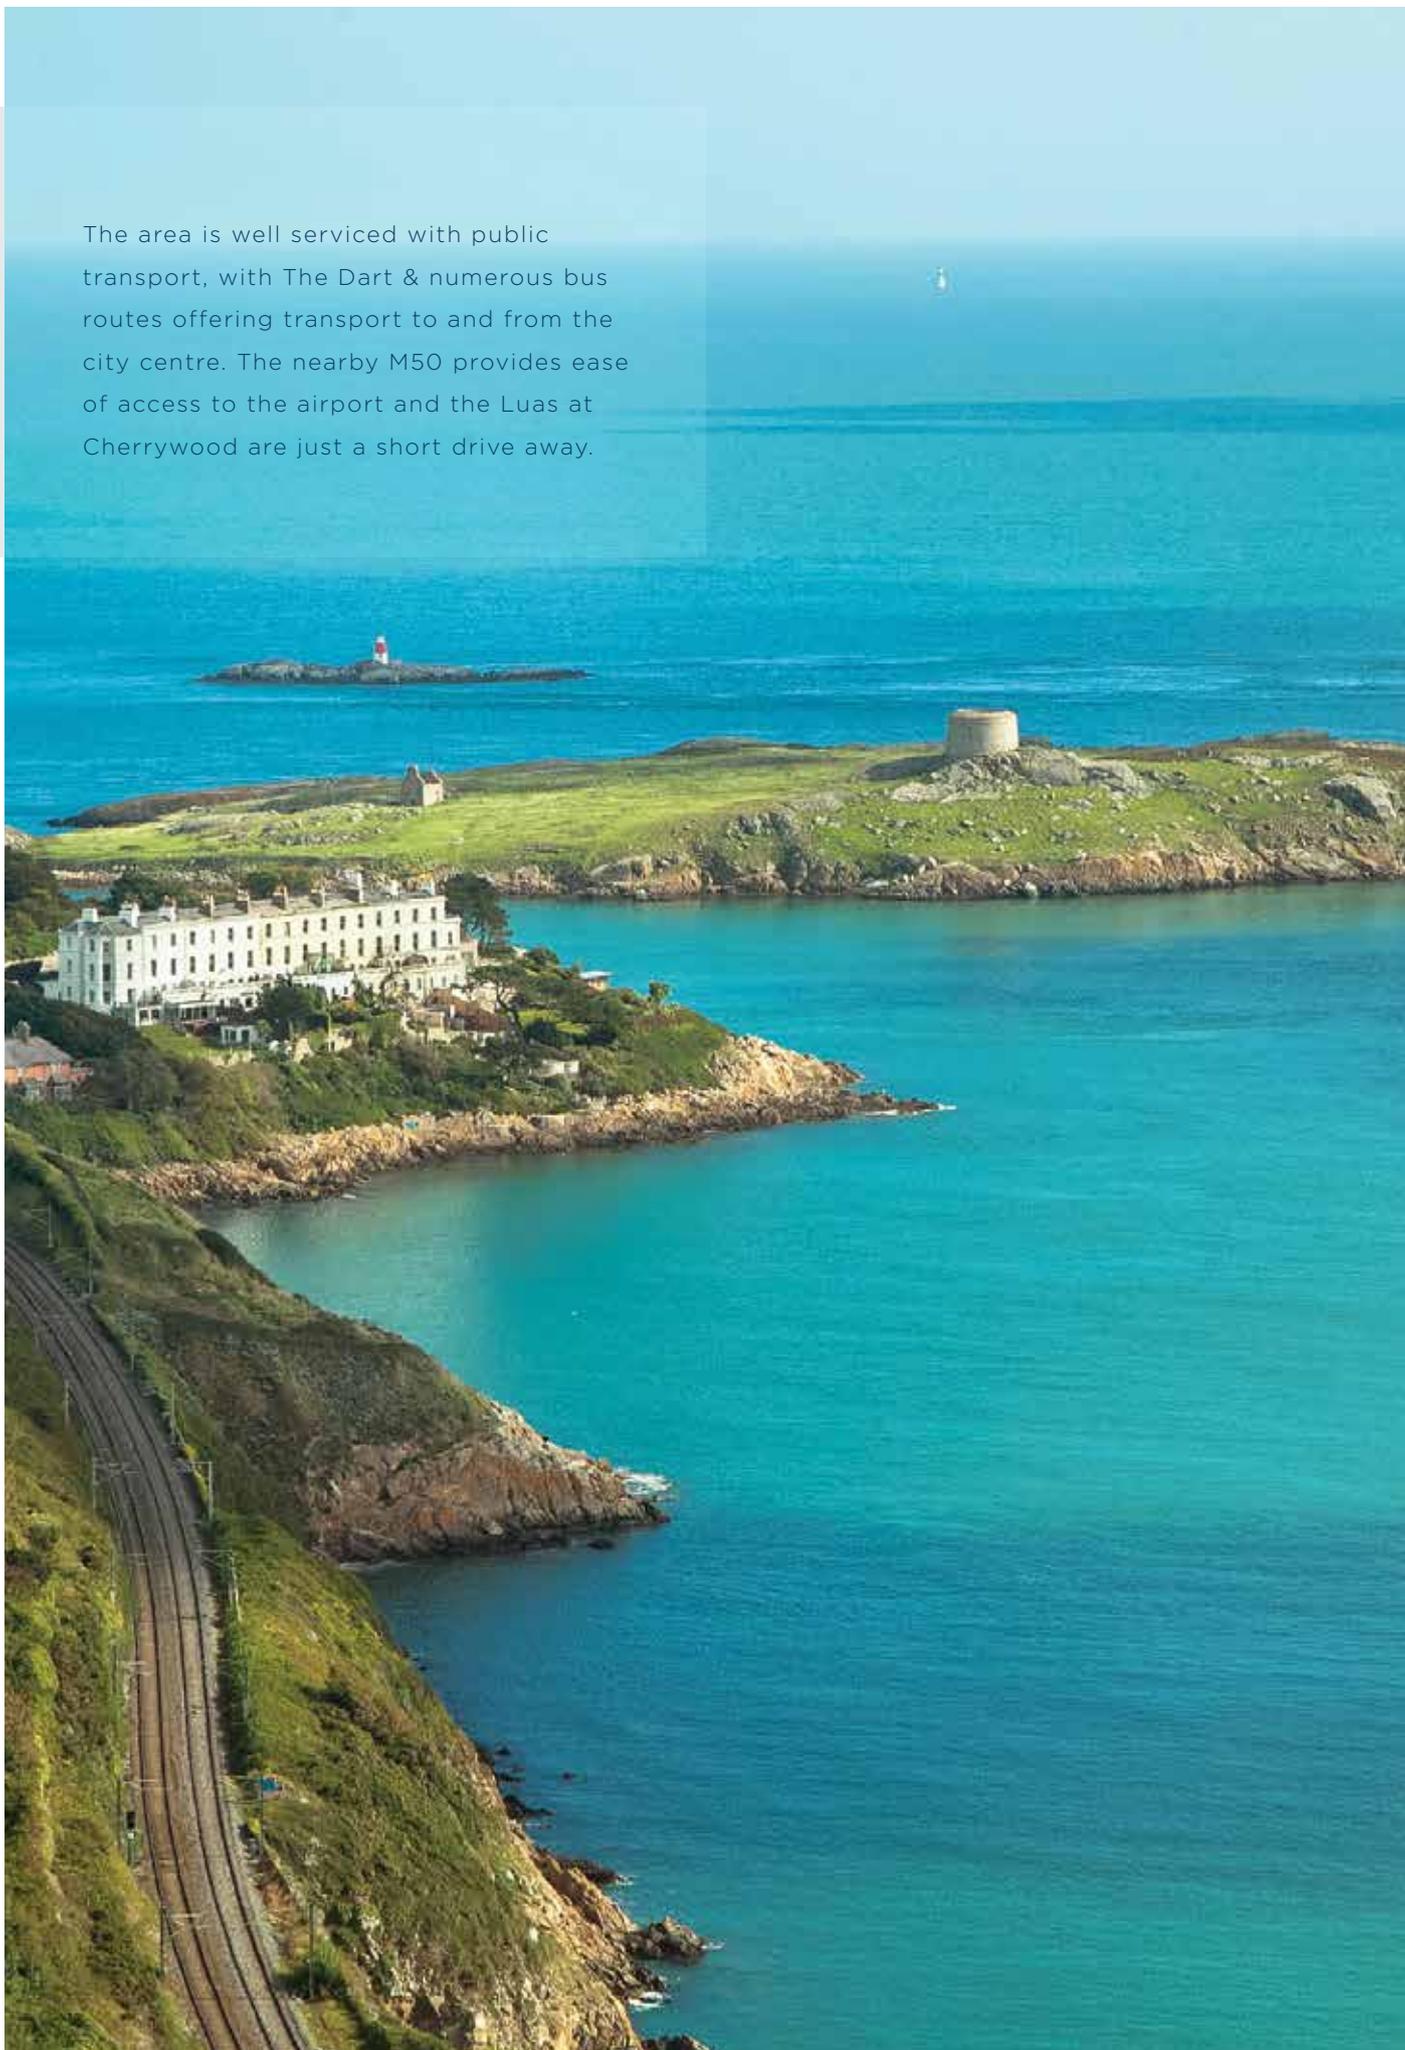

There are a number of private and public schools all easily accessible. Castle Park School is interdenominational and hugely popular, Rathdown, Holy Child, St Gerard's, Loreto Dalkey and St Josephs Cluny are all within immediate access. Willow Park, Blackrock College, St. Andrews and St. Michael's are just a DART trip away. School admission policies are subject to change and should be verified.

Killiney Shopping Centre offers day-to-day shopping and services with a range of boutiques, cafes and shops. Dalkey, Glasthule & Sandycove with their specialty shops, delicatessens and restaurants are all close at hand.

The area is well serviced with public transport, with The Dart & numerous bus routes offering transport to and from the city centre. The nearby M50 provides ease of access to the airport and the Luas at Cherrywood are just a short drive away.

Energy Rating / Efficiency

By investing in modern technologies and making improvements to the fabric of the houses at Condor, Lioncor Developments have constructed houses which are more sustainable, comfortable and energy efficient than those produced in previous decades. The following features combine to create a greener home with superior levels of comfort:

- A3 BER energy rating
- Highly insulated air tight design to retain heat and minimise exposure to external elements
- A NIBE Air to Water heat pump which provides all your heating and hot water needs in an energy efficient manner. The NIBE heating system is a zoned thermostatic underfloor system throughout
- High performance pipe insulation is used on all internal pipework to reduce heat loss
- Low maintenance double glazed Scandinavian Alu-Clad windows by Carlson & FGM windows
- Energy saving LED light fittings as per showhouse

Electrical

- Generous lighting and power points throughout
- Recessed down lighters in bathrooms and kitchen area
- Slimline Décor Satin Chrome with black insert sockets and light switches to main living areas by Deta
