We here at Sherry Fitzgerald P. Burke are delighted to present 23 Pair na gCon, Mountbellew, Co. Galway, a beautifully decorated and energy-efficient 3-bedroom, 3-bathroom end-of-terrace house, offering 117 sq.m of living space. This property stands out in the market due to its maximum-capacity solar panel system, which significantly reduces energy costs, making it an excellent choice for eco-conscious buyers. With the solar panels installed to their full potential, the new owners will enjoy lower utility bills, adding to the long-term savings. There is an EV charge point installed at the property.

The house benefits from modern PVC windows and doors, oil-fired central heating, and an oil tank situated at the rear of the property. The attic space also offers potential for further improvements. A hot press with an insulated cylinder enhances the home's energy efficiency.

Located just a short walk from Mountbellew village, this property offers easy access to local amenities, including shops, schools, and restaurants. It's also conveniently situated for access to major towns, with Ballinasloe and Roscommon a 30-minute drive away.
