WELCOME TO DROIM AN ÓIR

Droim an Óir has been carefully planned to create a welcoming community that feels both connected and comfortable. Wide streets, landscaped areas and a mix of well-designed homes help create an environment where people can settle, grow and feel part of the local area.

Whether purchasing a first home, moving closer to amenities or looking for a place to raise a family, Droim an Óir offers homes designed for modern living.

A UNIQUE COMMUNITY BUILT FOR MODERN LIVING

Quantum Homes are proud to introduce Droim an Óir, a new residential development located on Dromin Road in the vibrant town of Nenagh, Co. Tipperary.

Designed with modern living in mind, Droim an Óir brings together contemporary homes, energy-efficient design and well-planned shared spaces to create a welcoming community.

With Nenagh town centre just a short walk away, residents can enjoy the convenience of local shops, cafés, schools and everyday amenities, while still benefiting from the comfort of a thoughtfully planned setting.

Final finishes, layout, landscaping and specifications may vary.

THE LOCATION

LIFE IN NENAGH

Nenagh is a well-established market town with a population of nearly 10,000, offering a strong mix of local amenities and community life. Everything needed day to day is already in place.

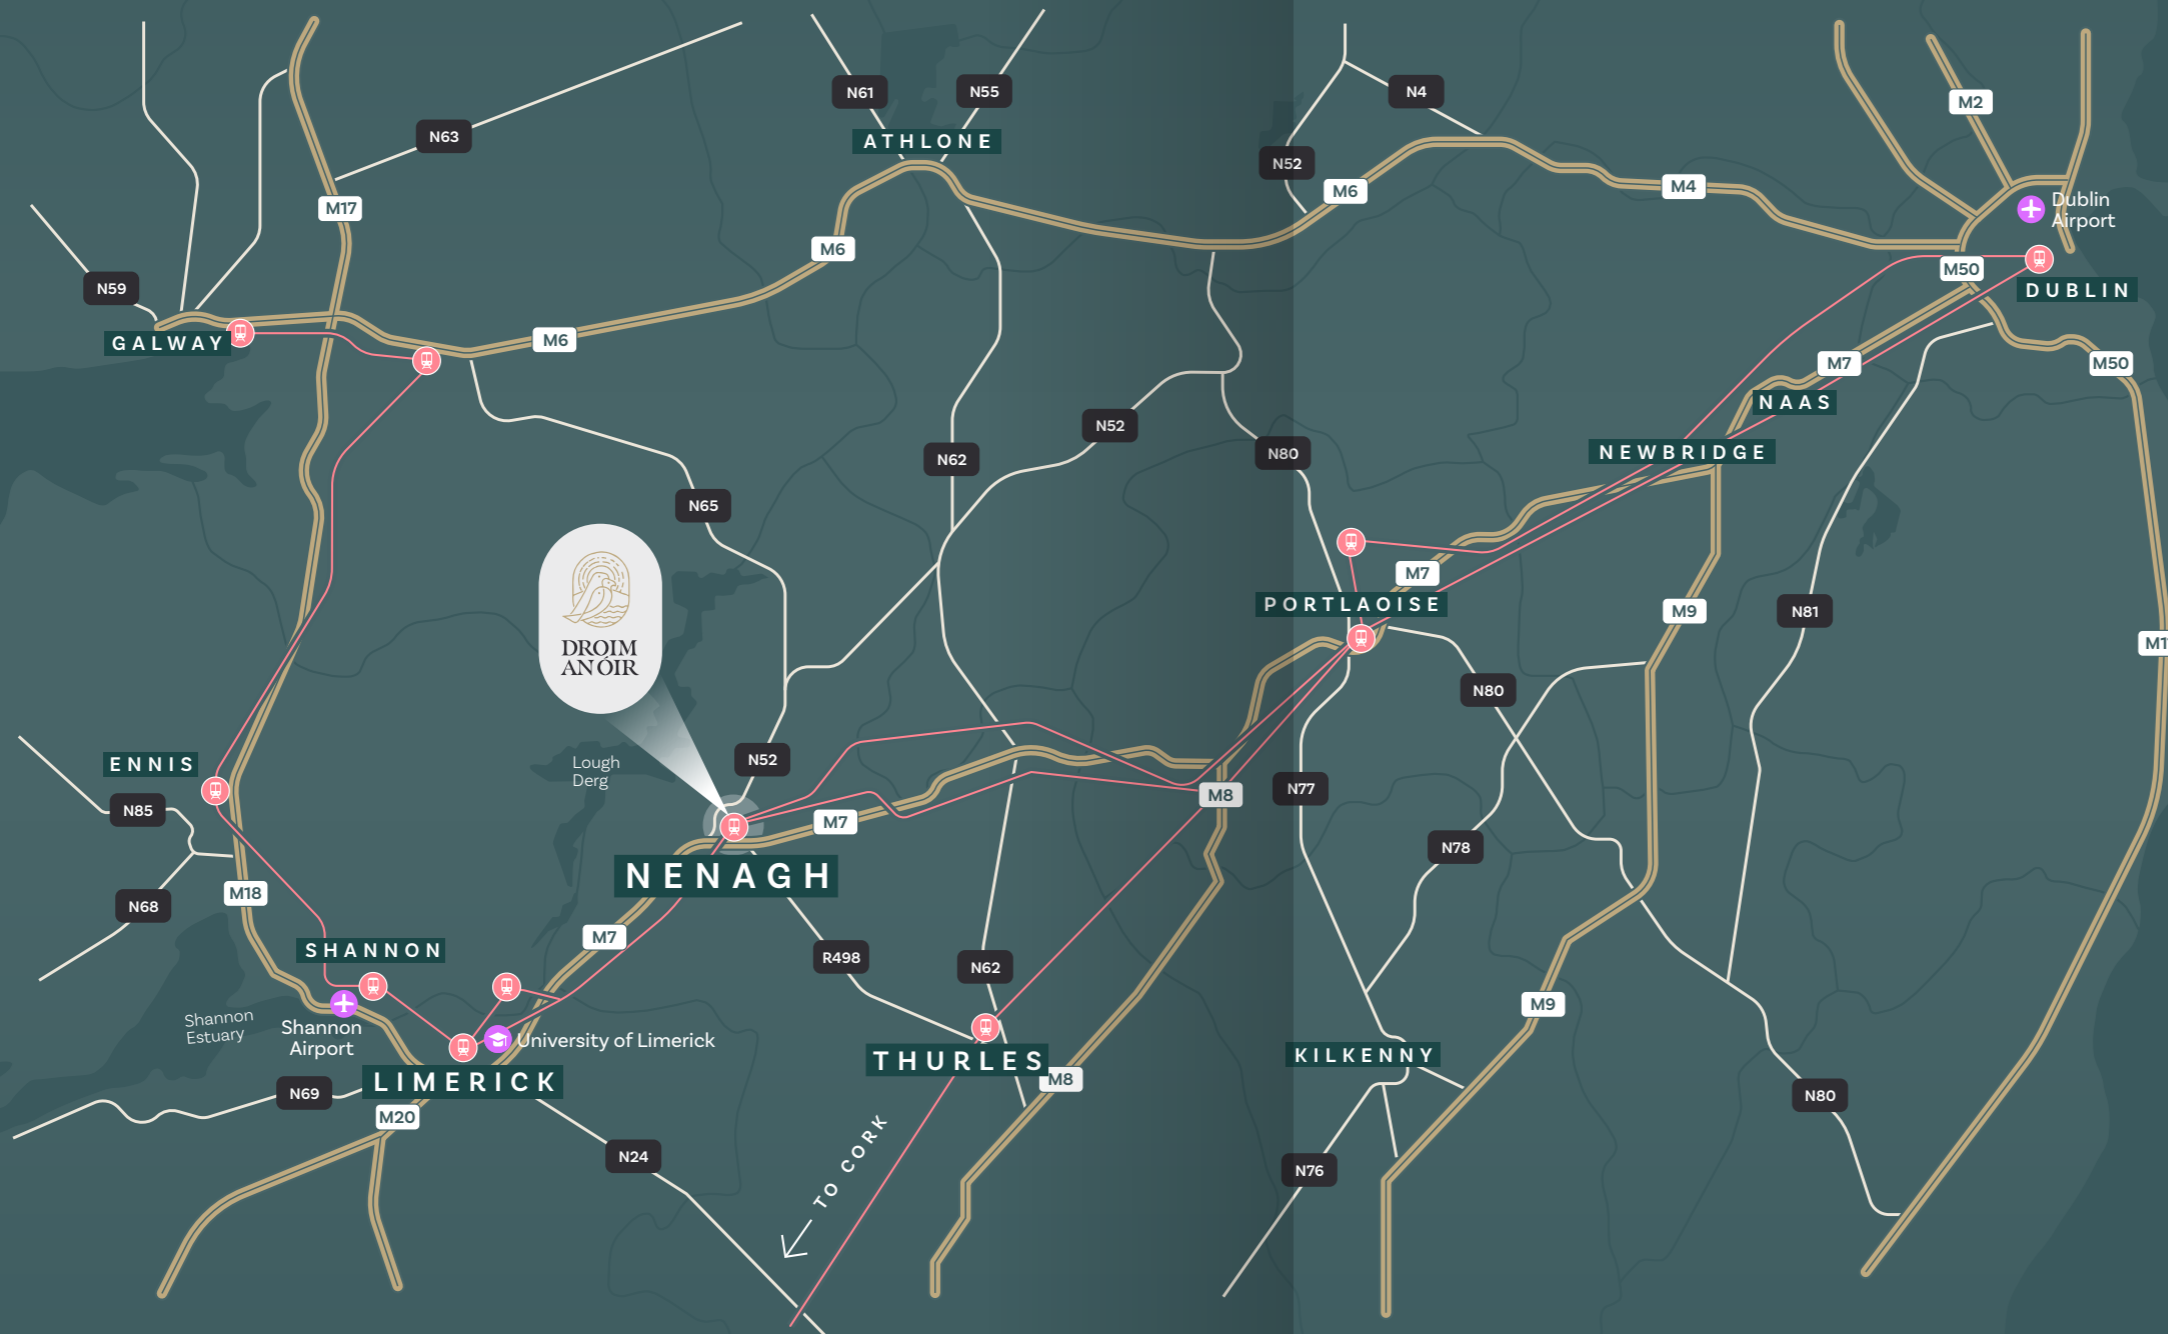

Nenagh (Aonach Urmhumhan in Irish) is a historic, lively market town. The Irish name translates to “The Fair of Ormond,” reflecting Nenagh’s long-standing heritage as a vibrant market town and natural meeting place. It has long been recognised as a welcoming and friendly town, known for embracing newcomers.

The town has a rich history, reflected in landmarks such as Nenagh Castle, the Heritage Centre and Courthouse, alongside a growing cultural offering centred around the Nenagh Arts Centre.

For outdoor living, Lough Derg is just 9km away, with access to walking routes, boating and sailing, particularly around nearby Dromineer.

LOCATION & CONNECTIVITY

WELL CONNECTED LIVING

Droim an Óir is located on Dromin Road, just a short distance from Nenagh town centre, placing shops, cafés, schools and everyday amenities within easy reach.

Nenagh also benefits from strong regional connections. Located just off the N52 bypass, the development provides convenient access to the M7 motorway and the wider national road network.

Nenagh is also served by regional bus routes connecting the town to surrounding areas. Rail services operate from Nenagh Station, while Thurles Station – approximately 40km away – provides frequent mainline services on the Dublin-Cork route.

AMENITIES & EVERYDAY LIVING

Nenagh offers a wide range of everyday amenities, making day-to-day life both convenient and enjoyable. The town centre provides a mix of independent shops, cafés and restaurants alongside essential services and major supermarkets including SuperValu, Dunnes Stores, Tesco, Aldi and Lidl. For those who enjoy an active lifestyle,

Nenagh is home to a variety of sports clubs and recreational facilities, including Nenagh Ormond Rugby Club, Nenagh Éire Óg GAA Club and Nenagh Leisure Centre. Residents also benefit from riverside walks, public parks and green spaces, playgrounds and easy access to the surrounding countryside and Lough Derg.

EDUCATION & COMMUNITY

Nenagh has long been known for its welcoming atmosphere and strong community spirit.

The town offers a range of well-regarded primary and secondary schools, including Nenagh College, which provides both secondary education and further education programmes.

Local childcare facilities and early learning centres further support young families settling into the area.

Third-level education is accessible nearby, including University of Limerick and TUS (Technological University of the Shannon) in Thurles.

Beyond education, Nenagh is home to a wide variety of community organisations, sports clubs and cultural groups that contribute to the town's vibrant local life.

EMPLOYMENT & OPPORTUNITY

Nenagh is an established employment centre within the Mid-West region, with opportunities across manufacturing, technology, agriculture and the public sector.

Many residents also commute to Limerick, benefiting from its expanding technology, life sciences and financial sectors.

THE DEVELOPMENT

A THOUGHTFULLY DESIGNED COMMUNITY

Droim an Óir has been carefully planned to create a welcoming residential community that feels connected to the surrounding town while offering an attractive place to live.

The development brings together contemporary homes, landscaped green spaces and well-considered streetscapes to support modern living.

Wide streets, pedestrian-friendly layouts and shared green areas create a sense of openness while reflecting the character of the surrounding area.

Whether purchasing a first home or moving to a new stage of life, Droim an Óir offers a place where residents can settle and feel part of a growing community.

The development appeals to a wide range of buyers, including first-time purchasers, growing families and those seeking modern energy-efficient homes in a well-connected town.

ABOUT THE DEVELOPER

BUILDING UNIQUE COMMUNITIES

Quantum Homes is a family-owned residential developer focused on creating thoughtfully designed communities across Ireland.

By combining quality construction, energy-efficient homes and carefully planned green spaces, Quantum builds places where people can settle, grow and feel at home.

The business is led by father and son team Miceál Snr and Miceál Anthony Sammon, whose shared vision guides Quantum's people-centred approach to development and long-term commitment to the communities they help create. Our attention to the planning process, energy efficiency, sustainability and the needs of the end user at all times make our developments attractive, practical, sustainable and simply great places to live and work.

With over 30 years' operational experience in the property sector, we have a long history of using innovation to drive property standards in Ireland. At Quantum, our full-service approach is poised to create communities and deliver sustainable developments that ensure the highest quality product at every stage of the process.
