About this property

Set in a truly idyllic position, this is a charming detached home occupying an elevated site with sweeping views across Marble Hill Beach and Sheephaven Bay, only a short walk to Marble Hill Beach and adjacent to the Shandon Hotel & Spa.

The house is approached via pillars and a gated entrance which opens onto a gravel driveway and off this to a stone cobbled entrance in front of the house.

Internally, the accommodation is bright and well-proportioned, arranged across a single level to facilitate easy and comfortable lateral living. At the heart of the home is a spacious open-plan kitchen/living area, featuring a classic fireplace and a large picture window that perfectly frames the magnificent view. Off this space lies a sunroom, ideal for enjoying the ever-changing light and sea views in all seasons.

The living area leads into a bedroom corridor, comprising two bedrooms, one of which benefits from an ensuite shower room along with a separate shower room. The house was formerly a 3 bedroom home and the ensuite can be easily converted back to a bedroom.

The accommodation extends to approximately 1,295 sq ft / 120 sq m as shown on the accompanying floorplans.

Gardens and Grounds

The driveway extends to the rear of the property which offers further potential to extend the garden or potential development, subject to necessary planning permission.

In all the grounds extend to about 0.69 acre / 0.28 hectare.
