Attractive extended farm house comprising 3,200 sq.ft. (298 sq.m.) of living space on 2.8 acres approximately of grounds, located 4 miles from Clonakilty town and enjoying a sunny west facing aspect.

We expect that this property will qualify for the Vacant Property Refurbishment Grant subject to terms and conditions.

The dwelling is a traditional stone built and slated farmhouse that is extended with a 2 storey concrete block built and slated extension. The many features of the property include pvc double glazed windows, oil-fired central heating and excellent light. There is renovation necessary to adapt the upstairs rooms into larger bedrooms.

The accommodation includes entrance porch, living room, sun room, sitting room, dining room, kitchen, utility and ensuite bedroom on ground floor.

The first floor of the original building contains 5 bedrooms and 2 bathrooms, whilst there are a further 6 bedrooms and 1 bathroom in the extension area. Many of the bedrooms are divided by partition walls and can easily be modified.

The grounds contain 2.8 acres approximately with substantial public road frontage. The main block of the lands is currently laid out in grass and is both level and fertile. The areas close to the house are suitable for a formal garden and there are some mature specimen trees and shrubs. The boundary of the property is planted with native trees.

The property is ideal for conversion into a double occupancy home or other uses that require significant living space.

The location between Clonakilty and Rosscarbery is ideal for local schools and other services.
