DESCRIPTION

Nestled in the scenic countryside of Oxpark, Cloughjordan, this 2 bedroom semi-detached property sits on a generous 0.62 acre site, offering ample space and endless potential. In need of complete renovation, it is the perfect blank canvas for those looking for a rewarding project.

The accommodation opens into an entrance hall with stairs to the left and useful under stair storage. To the right, a living/dining room features a solid fuel range and lino flooring. Directly ahead, the kitchen is fitted with units and also finished with lino flooring.

Upstairs, the sleeping accommodation includes two bedrooms, one with lino flooring and the other carpeted, along with a bathroom fitted with W.C, W.H.B, half bath, and lino flooring. The property is connected to electricity, mains water, and sewerage, but currently has no central heating system, relying instead on the solid fuel range in the living room. Double glazed timber framed windows and doors are in place.

Externally, the property boasts a large garden to the front and side, a rear paddock, an outdoor toilet, a fuel shed, and a small agricultural shed.
