Exceptional Redevelopment Opportunity just a few minutes from Enniscorthy's main town square.

Located across from Treacys Hotel, the property has been vacant for a number of years and now offers significant potential for complete refurbishment and redevelopment, located subject to the necessary consents. Its generous proportions and central location make it suitable for a variety of uses, including residential, commercial, or mixed-use.

The ground floor comprises a large open-plan area previously used as a bar and lounge with a large high ceiling area to the rear. The first floor has a large store room while the second floor is attic storage.

The town's main market square is within a five-minute walk, while both Bus Éireann and Wexford Bus services operate directly outside the property, ensuring excellent transport links.

This is an outstanding opportunity for investors or owner-occupiers seeking a centrally located property with strong redevelopment potential in the heart of Enniscorthy.

Please note that as this property was acquired under the URDF program, its disposal is subject to conditions including Section 183 approval.
