welcome to rathnew

Rycroft is delighted to introduce Lorrin Lodge, a beautiful new development of spacious family homes and bright apartments in the wonderful seaside town of Rathnew, Co Wicklow.

Whether you are a growing family or a first-time buyer, residents in Lorrin Lodge can enjoy all the convenience of great transport links to Dublin and beyond while making the most of life in this scenic and amenity-packed location in a new home finished to Rycroft's high standards.

Rathnew is ideal for people who want to optimise their life/work balance. This scenic village belies its size with the amount of amenities in the immediate area, including schools, sports clubs and public transport links. And with Wicklow Town just 3km away, not to mention the N11 road straight to the M50 and Dublin, nothing is too far or out of reach.

surrounded by nature

Rathnew is a peaceful village in the heart of Wicklow, which is called The Garden of Ireland – and Rathnew is undoubtedly one of the brightest jewels in the county. The location benefits from being just 4km from the county town of Wicklow, which is beside the seaside and offers plenty of scenic walks along the coast.

Alternatively go further inland to one of the many forests that are carefully preserved in Co Wicklow, ranging from Powerscourt to Glendalough to the more local Devil's Glen. Want to make local friends? Rathnew is home to many popular sports clubs, including the local GAA club, which has won the Wicklow Senior Provincial Championships over 30 times, and local soccer club Rathnew AFC, which has successful and popular for men, women and children.

create unforgettable memories

The beautiful surroundings at Lorrin Lodge offer a great mix of practical amenities, including two primary schools and a local secondary school, and opportunities for a busy, action-packed, healthy lifestyle for every member of the family.

Families can enjoy local access to everything they might need, including a busy branch of Aldi, as well as easy access to the wonderful amenities in Wicklow Town, just a few minutes down the road. This includes restaurants and bars, boutiques and gourmet food retailers, leisure clubs, beauty salons and more.

But it's the prospect of unforgettable family days out that really make this location truly special. Try a climb up the Sugarloaf followed by a hearty lunch in front of the fire in one of the many country pubs in the surrounding towns. Explore Powerscourt estate and finish the afternoon with a picnic in front of the majestic waterfall. Make the most of a sunny day with a trip to Brittas Bay, arguably one of Ireland's most famous beaches and just a short drive from your new front door!

explore the surroundings

effortlessly

Getting around the many attractions local to Rathnew is incredibly easy thanks to easy transport options. The village is located just off the busy N11 main road, which links Dublin City with the southeast of Ireland. Most notably it feeds directly to the M50, with a direct route through to Dublin Airport and links to the main motorways around the country.

Public transport options are also plentiful and frequent. A local bus service links the surroundings villages and towns, as well as Dublin. Just a few kilometres down the road is Wicklow Train Station, a major stop on the route connecting Dublin with Rosslare and Rosslare Europort that offers a fast commute through to the city centre and beyond.
