

TO LET Industrial Unit

Unit G1, Naas Enterprise Park, Naas, Co. Kildare

Location

Naas is the largest urban centre in County Kildare and is also the capital Town of the county. Located in the greater Dublin Region the town has witnessed a dramatic increase in population over the past number of years and serves as an important commercial and services centre for the county. The past number of years has seen major infrastructural improvements in the town with road and transport links improving immensely. A facility developed by Kerry Group on a designated site in Naas has further enhanced the location with the creation of some 800 new jobs. The subject property is situated in Naas Enterprise Park, just off the M7 motorway at Junction 10 Naas South, on the southern side of the R445 from Naas to Newbridge. Naas Enterprise Park is situated in the heart of the central logistics area of the entire country and offers the ease of access to the M7 motorway leading to all arterial routes to the north, west and south of the country, lying only 4kms south of Naas and 37kms south west of Dublin city centre. The park consists a range of different sized units of various uses including logistical, retail and office space. Occupiers include well known national and international companies such as DSV, BMW, HSE and Primark. The subject property occupies a prominent position within the park along the main thoroughfare.

Description

The property comprises a detached storage facility which includes offices and staff facilities, with external hard-standing yard for loading/unloading and carparking. The warehouse is a steel portal frame construction with block infill walls to approximately 2.5m and architectural cladding to the remaining wall section. The roof is a double skin metal deck roof incorporating translucent roof lights and has the benefit of a clear internal height of approximately 5.8 m. The warehouse has a concrete floated floor, has the benefit of fluorescent strip lighting and is accessed via one dock leveller and four electric roller shutter doors.

The office section is arranged over two storeys with a further single storey extension to the front of the property, the offices have plastered and painted walls, fluorescent strip lighting, wall mounted radiators, laminate covered floors with a mix of aluminium and timber frame windows and doors as well as an intruder alarm system.
