About this property

Savills are delighted to present Amergen, a beautifully located four-bedroom detached bungalow set on approximately 1.78 acres of mature and meticulously designed gardens. This idyllic home enjoys an elevated position overlooking the stunning Inniscarra Lake, offering breathtaking views and complete privacy, with the rare benefit of direct boat access to the lake itself.

Built in 1984, Amergen is a spacious residence, extending to approximately 1,652 sq. ft. The property has been well maintained and presents in excellent condition but would benefit from some modernisation. With its outstanding location and expansive site, the potential here is immense.

Arriving at Amergen, one will enter a long avenue lined with beautiful beech hedging.

Upon entering through the porch, you are welcomed by a wide hallway leading to the main living areas. To the right, a generous living room boasts spectacular views of the lake below, creating a truly special space for relaxation and entertaining. This room seamlessly connects to the kitchen and dining room, both of which enjoy a warm southern aspect, overlooking the beautifully landscaped front and rear gardens.

Adjacent to these rooms, a spacious conservatory is positioned at the southwest gable end, offering a sun-filled retreat that captures the vibrant colours of the garden's diverse plant and tree collection.

The accommodation further comprises four well-proportioned double bedrooms, one of which features an en-suite bathroom. A main bathroom and separate WC complete the private quarters. A utility/pantry room, conveniently located off the kitchen, provides direct access to the back garden.

Externally, Amergen includes a large carport, ideal for storage or use as a workspace, with potential for integration into the main house for additional living space (subject to planning permission). Just off the carport, there is a WC and coal store room.
