Sherry Fitzgerald Catherine O'Reilly are delighted to bring to market this deceptively spacious two bed end of terrace property with the added benefit of a detached workshop & shed/garage. Number 16 Griffith Street oozes potential and is a great opportunity for first time buyers, people looking to downsize and investors alike.

Its central location is second to none, situated just 5-minutes from Arklow's main street and only a short distance to the harbour, south beaches, Bridgewater shopping centre, shops, schools, and local amenities. In addition, it's also within easy walking distance of both the commuter train and bus services.

The internal accommodation briefly comprises a bright living room, sizeable downstairs bathroom, well equipped kitchen and second reception room/bedroom to the rear in addition to a rear lobby. Upstairs there are two spacious double bedrooms and hot press. There are two block-built outbuildings in the rear garden with potential to further extend or reconfigure.

This lovely home comes to market in fine condition throughout while preserving many of its original features.

Must be viewed to be appreciated and is strongly recommended.
