for **Senior Executive Officer**

Conditions and Reasons

1. The development shall be carried out in its entirety in accordance with the plans, particulars and specifications lodged with the application on 8/11/2023 & 29/05/2024, save as may be required by the other conditions attached hereto.
REASON: To ensure that the development shall be in accordance with the permission, and that effective control be maintained.
2. This permission authorises 1 no. house only
REASON: In the interest of clarity
3. That the proposed dwelling unit shall be used as a single dwelling unit and shall not be used for multiple occupancy living units / non-residential uses, except where otherwise permitted by way of a separate grant of planning permission.
REASON: In the interest of clarity and to ensure proper planning and sustainable development.
4. External finishes shall be as indicated on the plans submitted unless otherwise agreed in writing with the Planning Authority prior to the commencement of the development.
REASON: In the interest of visual amenity.
5. That the proposed development be provided with noise insulation to an appropriate standard, if required, having regard to the location of the site within Zone C associated with Dublin Airport.
REASON: In the interests of proper planning and sustainable development and residential amenity.
6. The proposed development shall comply with the requirements of the Planning Authority as follows:
 - a) No objects, structures or landscaping shall be placed or installed within the visibility triangle at the vehicular entrance exceeding a height of 900mm; which would interfere or obstruct (or could obstruct over time) the required visibility envelopes.
 - b) No gate shall open across a public footpath/roadway.
 - c) All underground or overhead services and poles shall be relocated, as may be necessary, to a suitable location adjacent to the new boundary, at the Developer's own expense and according to the Specification and Conditions of Fingal County Council.
 - d) All stormwater shall be disposed of to soakpits or drains within the site and shall not discharge onto the public road.REASON: In the interest of clarity and traffic safety and to ensure the proper planning and sustainable development.

7. The proposed development shall comply with the requirements of the Planning Authority as follows:
 - a) No surface water / rainwater shall discharge into the foul water system under any circumstances.
 - b) The surface water drainage shall be in compliance with the Greater Dublin Regional Code of Practice for Drainage Works, Version 6.0, FCC, April 2006.
REASON: In the interest of public health and the proper planning and sustainable development of the area.

8. All bathroom and ensuite windows shall be fitted and permanently maintained with obscure glass. The use of film is not acceptable.
REASON: In the interest of residential amenity.

9. All services to the proposed development, including electrical and telephone cables and associated equipment, be located underground throughout the entire site area.
REASON: In the interest of amenity.

10. The developer shall comply in full with the following:
 - a) All necessary measures shall be taken by the applicant/developer to prevent the spillage or deposit of any materials including clay, rubble, or other debris or adjoining roads during the course of development. In the event of any such spillage or deposit, immediate steps shall be taken to remove the material from the road surface at the applicant/developer's own expense.
 - b) The applicant/developer shall be responsible for the full cost of repair in respect of any damage caused to the adjoining public road, arising from the construction work and shall either make good any damage to the satisfaction of the Planning Authority or pay the Planning Authority the cost of making good such damage upon issue of such a requirement by the Planning Authority.

REASON: To protect the amenities of the area.

11. The following requirements shall be complied with in full;
 - a) The hours of operation on all construction sites shall be restricted to between 0800 hours to 1900 hours Monday to Friday, and between 0800 hours to 1400 hours on Saturdays.
 - b) No activities shall take place on site on Sundays or Bank Holidays.
 - c) Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from Fingal County Council. Such approval may be given subject to conditions pertaining to the particular circumstances being set by Fingal County Council.

REASON: In the interests of residential amenity.

12. The applicant shall enter into a Connection Agreement(s) with Uisce Éireann to provide for a service connection(s) to the public water supply and/or wastewater collection network and adhere to the standards and conditions set out in that agreement.
All development shall be carried out in compliance with Uisce Éireann's Standard

Details and Codes of Practice.

Uisce Éireann does not permit Build Over of its assets. Where the applicant proposes to build over or divert existing water or wastewater services the applicant shall have received written Confirmation of Feasibility (COF) of Diversion(s) from Uisce Éireann prior to any works commencing.

REASON: To provide adequate water and wastewater facilities.

- 13.** Prior to Commencement of development the developer shall pay the sum of €21, 325.60 (updated at date of commencement of development, in accordance with changes in the Tender Price Index) to the Planning Authority as a contribution towards expenditure that was and/or that is proposed to be incurred by the planning authority in respect of public infrastructure and facilities benefiting development in the area of the Authority, as provided for in the Contribution Scheme for Fingal County made by the Council. The phasing of payments shall be agreed in writing with the planning authority prior to the commencement of development.

REASON: It is considered reasonable that the payment of a contribution be required in respect of the public infrastructure and facilities benefiting development in the area of the Planning Authority and which is provided, or which is intended to be provided by, or on behalf of the Local Authority.

Note on above Condition:

Please note that with effect from 1st January 2014, Uisce Éireann are now the Statutory Body responsible for both water and waste water services (excluding surface water). Accordingly, the contribution payable has been reduced by the amount of the contribution associated with these services. A separate charge will be levied by Uisce Éireann in relation to the provision of water and/or wastewater treatment infrastructure and connections to same. Further details are available on the Uisce Éireann website www.water.ie , Tel. (01) 6021000.

NOTE 1:

The applicant is advised that under the provisions of Section 34(13) of the Planning and Development Act 2000, as amended, a person shall not be entitled solely by reason of a permission to carry out any development.

NOTE 2:

The applicant is advised that the onus is on them to comply in full with the Building Control Regulations.

NOTE 3: The issue of encroachment or oversailing is a civil matter the applicant is advised that in the event of encroachment or oversailing of adjoining property, the consent of the adjoining property owner is required.

NOTE:

All buildings must now be designed and constructed in accordance with the Building Regulations. The Building Control (Amendment) Regulations, 2009 came into effect on 1st October 2009.

With the exception of houses and certain agricultural buildings, a Fire Safety Certificate/Revised FSC (please refer to Regs) is required for all buildings (including apartments and flats), extensions and alterations and changes of use which are covered by the Building Regulations.

A **Commencement Notice** (Building Control Regulations 1997 to 2009) must be submitted to the Building Control Authority (not less than 14 days and not more than 28 days before development commences) in respect of all buildings other than

- Buildings which require a **Fire Safety Certificate** under the Regulations and where a person intends to commence work on the construction of a building before grant of the relevant Fire Safety Certificate. (See 7 Day Notice below)
- Exempted development for the purposes of the Planning and Development Act 2000 and the Regulations made thereunder.

Disability Access Certificates/Revised Disability Access Certificates:-from the 1st of January 2010, a certificate of compliance with respect to Part M of the Second Schedule of the Building Regulations (Disability Access Certificate) shall be required in respect of all works or a building to which Part III (Fire Safety Certificates) refers.

A **7 Day Notice** is required where a person intends to commence work on the construction of a building before grant of the relevant Fire Safety Certificate. The Notice must be submitted not less than 7 days in advance of commencement of work and must be in accordance with the requirements of Article 20A(2) of the Regulations.

A number of the conditions attached to the planning permission may need compliance submissions to be lodged and agreed prior to commencement of development. Please submit 3 hard copies and 1 soft copy of all documentation in relation to compliance submissions. Failure to comply with a condition of the planning permission is an offence under Section 151 of the PLANNING & DEVELOPMENT ACT 2000, AS AMENDED.

All correspondence should clearly state the Planning Reg. Ref.

Information Note - Public Water and Waste Water Networks

Connections

On the 1st of January 2014 Uisce Éireann became the statutory body with the responsibility for all water services, both water and waste water. The provision of a water services connection will be carried out by Uisce Éireann in partnership with each Local Authority.

Any persons seeking a connection to any of Uisce Éireann networks should make an application in the first instance to their Local Authority who will act on behalf of Uisce Éireann in processing the application.

A Connection Agreement between Uisce Éireann and the applicant will be required, prior to any connection being agreed, and will set out the conditions and charges to be applied to the connection. Details, including availability of application forms, are to be found on each Local Authority website.

It should be noted that Planning Authorities can no longer levy water and wastewater development charges and that these will now be incurred as part of the connection charge, if applicable.

Under the provisions of Section 55(1)(a) of the Water Services Act 2007 (the Act) it is an offence for a person to cause or permit the connection of a premises to the public water supply network, either directly or indirectly, or to otherwise take a water supply without the agreement of Uisce Éireann.

Similarly under the provisions of Section 61(1) (a) of the Act, it is an offence for a person to cause or permit the connection of a premises to the public waste water collection network, either directly or indirectly, without the agreement of Uisce Éireann.

INFORMATION for the purposes of Building Control;-

- IMPORTANT NOTE NOW THAT YOU HAVE RECEIVED PLANNING PERMISSION or ARE INTENDING TO CARRY OUT BUILDING WORKS.

BEFORE ANY BUILDING WORKS TAKES PLACE ON YOUR SITE YOU WILL NEED TO CHECK THE FOLLOWING [Pre-Development Planning Conditions, Commencement Notice, Construction Products Regulations \(CPR\) \(Regulation \(EU\) No. 305/2011\)](#) .

- IF SOME OR ANY OF THESE ARE OMITTED YOUR BUILDING MAY BE AN UNAUTHORISED BUILDING AND YOU MAY BE GUILTY OF AN OFFENCE AND/OR YOU MAY BE SUBJECT TO PENALTIES.

3. Construction Products Regulations (CPR) (Regulation (EU) No. 305/2011)

CE MARKING of construction products covered by harmonised European Standards is mandatory, when the construction product is placed on the market.

You need to ensure that you appoint competent professionals.

Whilst the CPR concerns itself with the conditions which apply when placing a construction product on the market, clients, specifiers, designers and builders etc. should be aware of the following when incorporating construction products into building works:

1. When drawing up specifications, refer to the harmonized technical specifications and specifically to the performance requirements of individual characteristics when necessary,
1. When choosing the products most suitable for their intended use in construction works, review the manufacturer's Declaration of Performance,
2. Check National Annexes or Standard Recommendations which give guidance on appropriate minimum performance levels for specific intended uses of the product in Ireland. NSAI host this information at www.nsaie.ie, and

NOTE; All works should be carried out using "proper materials...which are fit for the use for which they are intended and for the conditions in which they are to be used" to ensure compliance with the Building Regulations.
