DESCRIPTION

No. 89 is a smashing three bedroom extended residence. The property comes to market in pristine condition. Accommodation comprises of a smart entrance porch, bright hall way with a clever under stairs W.C, spacious living room, kitchen overlooking the large open plan rear extension which has four skylights and full glass wall to the rear taking advantage of it's south facing aspect. Upstairs there are three good sized bedrooms and a family bathroom. Previously, the upstairs was laid out in four upstairs bedrooms.

Outside there is a well-built boiler house. The hidden gem with no. 89 is the outbuilding in the rear garden. This was previously used as a music room and therefore would make an ideal home office, children's den or self-contained apartment (s.p.p). There is also a large front drive for off street parking.
