Existing Mobile home bay to remain in place

Revised Mobile home bay location

- - - 150mm dia foul sewer to be installed to local authority mains sewer. Appropriate permissions and applications for same have been arranged through Sanitary Dept. of WCCC and Irish Water

Local Authority mains water supply is in place

Revised mobile home bays are now outlined where necessary in order to provide a min. separation of 6m between mobile homes and in line with Fáilte Ireland's recommendations. Mobile home bays subsequently reduced from 88 No. to 83 No.
