

BUILDING 5200, CORK AIRPORT BUSINESS PARK

Building 5200 in Cork Airport Business Park is an ideally located, 60,000 sq ft three-storey office building. Located right beside the fastest growing regional airport in Europe and supported by unrivalled commercial infrastructure, Cork Airport Business Park is an outstanding location. The property is spaciouly designed with broad floors allowing for comfortable open plan spaces and finished to a high standard throughout. With 20,000 sq ft available to rent we are looking for a new tenant to join our other successful tenants; Aviva, Aon, Genesis Automation and JLT.

Well Located

This is a great location for attracting and retaining talent. University College Cork and Cork Institute of Technology have over 33,000 students and are less than 20mins drive away. It's an easy drive to Cork city and there are plenty of restaurants, gyms and childcare facilities all nearby.

The Park offers state of the art accommodation in a modern business park environment immediately adjacent to Cork International Airport. The business park is a hub for technological and financial multinationals including BNY Mellon, Amazon, Intel, Logitech, and IBM.
